

### Guardianship Agencies

Please find below a list of guardianship agencies who are known to the school and who will be happy to help if you do not already have a close family member within an hour of the school. Please note, guardianship arrangements are made solely between parents and the guardianship agency.

Other agencies are available. For more details, please refer to the AEGIS website:  
[AEGIS | The Association for the Education and Guardianship of International Students](#)

Agency	Website
