# Bryant Elementary School Accountability Report Card Reported Using Data from the 2016-17 School Year Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <a href="http://dq.cde.ca.gov/dataquest/">http://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **About This School**

### Contact Information (School Year 2017-18)

| School Contact Infor | School Contact Information |  |  |  |

### School Description and Mission Statement (School Year 2017-18)

Located in downtown Riverside, Bryant is an ideal location as it is centered among the city's museums, theaters, library, and art galleries. Authors, artists, architects, poets, and performers, along with other civic organizations, have shown a growing interest in developing partnerships that will support this new program. While enthusiasm for Core Knowledge and its potential for students is high, the challenge remains to make citizens aware of this school choice. Since Riverside Unified has become a "District of Choice," students from within Riverside's boundaries, as well as students from outside its borders are welcome to apply for transfers to attend Bryant Elementary in the winter for the following year.

Core Knowledge at Bryant School is a great way to link Riverside Unified School District's educational options with our city's motto of "City of Arts and Innovation," not only for our residents, but all interested parties. As the curriculum unfolds, no matter what level of ability a student starts with, he or she will experience a sense of achievement as knowledge and skills are mastered. The Core Knowledge Sequence covers language arts, history and geography, mathematics, science, art, and music, and comprises the bulk of the school's curriculum. Other areas of study, such as local and state history, technology and physical education, are integrated with what is being taught in the Core Knowledge program. Bryant also offers additional opportunities beyond the instructional day to engage, enrich, and empower students - including our afterschool HEARTS program and E3 program/clubs.

### **Bryant's Mission Statement is:**

The Bryant community commits to create a school with a nurturing, stimulating, and accepting culture:

- \* where students engage in rigorous standards-aligned instruction that results in high levels of student achievement, and
- \* that builds self-motivated, life-long learners who are academically, socially, and emotionally successful; culturally literate; and good stewards of the core virtues.

Bryant has aligned its goals with those of the Riverside Unified School District. Namely:

- 1. Provide high-quality teaching and learning environments for all students.
- 2. Prepare all students to be college, career, and world ready upon graduation.
- 3. Fully engage students, parents, and the community in support of short and long-term educational outcomes.

Our strategic focus is fluency and comprehension across all content areas. Additionally, we strive for increased student attendance and high levels of student engagement, digital literacy, and student achievement through utilization of technology for learning, as well as a measure of assessment. Progress towards these goals are monitored via our school plan and are measured frequently throughout the school year, including formal and informal assessments, observations, attendance records, and teacher records. Data is analyzed and informs instruction/next steps via the informative inquiry cycle (analyze, plan, act, reflect).

Student Enrollment by Grade Level (School Year 2016-17)

| Grade<br>Level   | Number of Students |
|------------------|--------------------|
| Kindergarten     | 67                 |
| Grade 1          | 54                 |
| Grade 2          | 59                 |
| Grade 3          | 73                 |
| Grade 4          | 53                 |
| Grade 5          | 78                 |
| Grade 6          | 53                 |
| Total Enrollment | 437                |

Student Enrollment by Group (School Year 2016-17)

| Student<br>Group                    | Percent of<br>Total Enrollment |
|-------------------------------------|--------------------------------|
| Black or African American           | 5.5                            |
| American Indian or Alaska Native    | 0.7                            |
| Asian                               | 1.6                            |
| Filipino                            | 0.5                            |
| Hispanic or Latino                  | 59.5                           |
| Native Hawaiian or Pacific Islander | 0.2                            |
| White                               | 29.3                           |
| Two or More Races                   | 2.5                            |
| Socioeconomically Disadvantaged     | 68.4                           |
| English Learners                    | 12.8                           |
| Students with Disabilities          | 10.3                           |
| Foster Youth                        | 0.5                            |

### A. Conditions of Learning

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### **Teacher Credentials**

|  |         | District |         |         |
|--|---------|----------|---------|---------|
| Teachers   | 2015-16 | 2016-17  | 2017-18 | 2017-18 |
| With Full Credential   | 22      | 21       | 20      | 1909    |
| Without Full Credential  | 0       | 0        | 0       | 0       |
| Teaching Outside Subject Area of Competence (with full credential) | 0       | 0        | 0       | 0       |

**Teacher Misassignments and Vacant Teacher Positions** 

| Indicator                                      | 2015-16 | 2016-17 | 2017-18 |
|--|---------|---------|---------|
| Misassignments of Teachers of English Learners | 0       | 0       | 0       |
| Total Teacher Misassignments *                 | 0       | 0       | 0       |
| Vacant Teacher Positions                       | 0       | 0       | 0       |

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: 10/16/2017

The table displays information collected in 10/16/17 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

It was determined that each RUSD school had sufficient and good quality textbooks, instructional materials, or science lab equipment, where appropriate, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a 6-year cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption

Riverside Unified School District adopts instructional materials on a regular schedule based on State adoptions. All students receive appropriate, up-to-date instructional materials for use in the classroom and at home. All materials currently in use have been selected by the staff with parent input, and approved by the Board of Education according to state adoption requirements. Teachers are provided training in the use of new materials.

Comprehensive curriculum (ELA, Math, Science, History-Social Science) Pearson: Opening the World of Learning (OWL) adopted in 2015.

| Subject                | Textbooks and Instructional Materials/<br>Year of Adoption   | From<br>Most Recent<br>Adoption? | Percent of Students Lacking Own Assigned Copy |  |

### School Facility Conditions and Planned Improvements (Most Recent Year)

Year Constructed: 1911 Last modernized: 2007 Lot Size: 2.5 acres

15 Permanent Classrooms 3 Portable Classrooms

Library

Multi-Purpose Room
Outdoor Eating Area
Completely Air Conditioned

Riverside Unified School District maintains both 5 and 15 year major maintenance plans for all schools. These plans are located at the District's Maintenance and Operations Office and are available for review.

Riverside Unified School District has instituted a formal school facility inspection system based on State of California School Facility Condition Criteria. The State criteria consist of 13 building components typically found in school facilities.

Riverside Unified School District has allocated funds for the sole purpose of school maintenance pursuant to Education Code sections 17002(d), 17014, 17032.5, 17070.75(a), and 17089(b). The information below displays the number of individual maintenance work orders completed in the last 12 months and the assessed value of the work completed.

Bryant has a full time custodial staff who along with other district personnel maintain the grounds and facilities.

# of Work Orders = 340 Labor Hours = 974.95 Assessed Value of Work = \$44,008.23

### **School Facility Good Repair Status (Most Recent Year)**

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

|  | Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11) |         |          |         |         |         |  |
|--|--|---------|----------|---------|---------|---------|--|
| Subject  | School   |         | District |         | State   |         |  |
|  | 2015-16  | 2016-17 | 2015-16  | 2016-17 | 2015-16 | 2016-17 |  |
| English Language Arts/Literacy (grades 3-8 and 11) | 53   | 48      | 48       | 47      | 48      | 48      |  |
| Mathematics<br>(grades 3-8 and 11)                 | 43   | 40      | 35       | 34      | 36      | 37      |  |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### **CAASPP Test Results in ELA by Student Group**

Grades Three through Eight and Grade Eleven (School Year 2016-17)

| Student Group                    | Total<br>Enrollment | Number<br>Tested | Percent<br>Tested | Percent<br>Met or Exceeded |

| Black or African American        |                     |                  |                   |                            |
| American Indian or Alaska Native |                     |                  |                   |                            |
| Asian                            |                     |                  |                   |                            |
| Hispanic or Latino               | 149                 | 147              | 98.66             | 40.82                      |
| White                            | 81                  | 76               | 93.83             | 61.84                      |
| Two or More Races                |                     |                  |                   |                            |
| Socioeconomically Disadvantaged  | 172                 | 169              | 98.26             | 36.69                      |
| English Learners                 | 42                  | 42               | 100               | 19.05                      |
| Students with Disabilities       | 27                  | 25               | 92.59             | 8                          |
| Foster Youth                     |                     |                  |                   |                            |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

| Student Group                    | Total<br>Enrollment | Number<br>Tested | Percent<br>Tested | Percent<br>Met or Exceeded |
|----------------------------------|---------------------|------------------|-------------------|----------------------------|
| All Students                     | 249                 | 241              | 96.79             | 39.83                      |
| Male                             | 125                 | 124              | 99.2              | 41.13                      |
| Female                           | 124                 | 117              | 94.35             | 38.46                      |
| Black or African American        |                     |                  |                   |                            |
| American Indian or Alaska Native |                     |                  |                   |                            |
| Asian                            |                     |                  |                   |                            |
| Hispanic or Latino               | 149                 | 147              | 98.66             | 30.61                      |
| White                            | 81                  | 76               | 93.83             | 59.21                      |
| Two or More Races                |                     |                  |                   |                            |
| Socioeconomically Disadvantaged  | 172                 | 168              | 97.67             | 27.38                      |
| English Learners                 | 42                  | 42               | 100               | 11.9                       |
| Students with Disabilities       | 27                  | 25               | 92.59             | 8                          |
| Foster Youth                     |                     | -                | 1                 |                            |

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Science for All Students

| Grades Five, Light, and Tell  |   |         |         |         |         |         |  |  |  |
|-------------------------------|---|---------|---------|---------|---------|---------|--|--|--|
|                               | Percent of Students Scoring at Proficient or Advanced |         |         |         |         |         |  |  |  |
| Subject                       | School  |         | Dist    | trict   | State   |         |  |  |  |
|                               | 2014-15   | 2015-16 | 2014-15 | 2015-16 | 2014-15 | 2015-16 |  |  |  |
| Science (grades 5, 8, and 10) | 64  | 49      | 58      | 54      | 60      | 56      |  |  |  |

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

### **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject areas of physical education.

#### California Physical Fitness Test Results (School Year 2016-17)

| Grade | Percent of Students Meeting Fitness Standards               |      |      |  |  |  |  |
|-------|---|------|------|--|--|--|--|
| Level | Four of Six Standards Five of Six Standards Six of Six Stan |      |      |  |  |  |  |
| 5     | 17.6  | 28.4 | 20.3 |  |  |  |  |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### C. Engagement

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### **Opportunities for Parental Involvement (School Year 2017-18)**

Bryant is very fortunate to have a supportive and involved parent community. Parents are always encouraged to attend all parent meetings, parent workshops and volunteer in their child's classroom. All parents are encouraged to take an active role in their child's education through homework and ongoing communication with the school. Parents are encouraged to participate in a wide variety of parent trainings that are offered every day of the week. Some of the classes that are available are:ESL, Computers, Nutrition Workshops, Workshops on Parenting Skills, Homework Help and other information that will help support parents become active participants in their child's education in order to have higher expectations for their children which will result in increased student achievement.

Other Available parent involvement opportunities include:

- \*School Site Council
- \*English Learner Advisory Committee
- \*Back To School Night and Open House
- \*Parent Volunteers in the classroom
- \*Volunteers for special events
- \*Parent Teacher Organization (PTO)

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **Suspensions and Expulsions**

| Do.L.       | School  |         |         | District |         |         | State   |         |         |
|-------------|---------|---------|---------|----------|---------|---------|---------|---------|---------|
| Rate        | 2014-15 | 2015-16 | 2016-17 | 2014-15  | 2015-16 | 2016-17 | 2014-15 | 2015-16 | 2016-17 |
| Suspensions | 3.3     | 5.0     | 1.8     | 4.4      | 4.0     | 3.6     | 3.8     | 3.7     | 3.6     |
| Expulsions  | 0.0     | 0.0     | 0.0     | 0.2      | 0.2     | 0.2     | 0.1     | 0.1     | 0.1     |

### School Safety Plan (School Year 2017-18)

The School Site Council or its delegate is responsible for the development and updating of the school's Comprehensive Safety Plan. A Site Comprehensive Safety Plan Checklist is provided by the Assistant Superintendent of Operations to give guidance on what should be included in the School's Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by March 1 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; provisions of any schoolwide dress code including the definition of "gang related apparel"; safe movement of pupils, parents and school employees to and from school; strategies in maintaining a safe and orderly school environment; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspensions, expulsion or mandatory expulsion and other school designated serious acts which would lead to suspension or expulsion, notification to teachers, anti-bullying policy and school discipline rules and procedures pursuant to EC 35291 and EC 35291.5. The school also has an assigned School Resource Officer (SRO).

### **D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

| Indicator   | School    | District  |
|---|-----------|-----------|
| Program Improvement Status                          | In PI     | In PI     |
| First Year of Program Improvement                   | 2004-2005 | 2007-2008 |
| Year in Program Improvement*                        | Year 5    | Year 3    |
| Number of Schools Currently in Program Improvement  | N/A       | 22        |
| Percent of Schools Currently in Program Improvement | N/A       | 68.8      |

Note: Cells with N/A values do not require data.

### Average Class Size and Class Size Distribution (Elementary)

### Types of Services Funded (Fiscal Year 2016-17)

Bryant Elementary Schoolreceived the following Categorical Program/Supplemental funds which can be used to provide the following services:

\$32,713 Local Control Funding Formula (LCFF):for increased or improved services for Low Income Students, English Learners, or Foster Youth for site goals in alignment with the RUSD Local ControlAccountability Plan

\$79,148 Title I: supplemental services andmaterials to assist students at risk of not meeting state academic standards

<sup>\*</sup>One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Teacher and Administrative Salaries (Fiscal Year 2015-16)

| Category                                      | District Amount | State Average for Districts In Same Category |
|---|-----------------|--|
| Beginning Teacher Salary                      | \$56,035        | \$47,808                                     |
| Mid-Range Teacher Salary                      | \$82,647        | \$73,555                                     |
| Highest Teacher Salary                        | \$100,547       | \$95,850                                     |
| Average Principal Salary (Elementary)         | \$125,192       | \$120,448                                    |
| Average Principal Salary (Middle)             | \$132,039       | \$125,592                                    |
| Average Principal Salary (High)               | \$144,725       | \$138,175                                    |
| Superintendent Salary                         | \$282,285       | \$264,457                                    |
| Percent of Budget for Teacher Salaries        | 40%             | 35%  |
| Percent of Budget for Administrative Salaries | 6%              | 5%   |

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

### **Professional Development (Most Recent Three Years)**

As a professional learning community, the Bryant Staff are committed to improving skills as educators to ensure that each and every student's academic needs are met.

During the 2017-2018 school year, all staff members at Bryant will participate in on-going site and district staff development opportunities provided by the principal, teacher experts, district support staff, and representatives from the Core Knowledge Foundation. Many of the staff members and teachers will participate in other workshops and professional development that is appropriate for their grade level. Teachers are able to select training from the district's online professional development system which includes many instruction-related topics. Some trainings are offered during the school day and others are offered after school.

Areas of focus include: Common Core Standards. Core Knowledge implementation. Academic English Language support. Math.

Areas of focus include: Common Core Standards, Core Knowledge implementation, Academic English Language support, Math instruction, technology integration, and Response to Intervention (RtI). District trainings are also offered throughout the year in various curricular areas, as needs arise. Teachers attend professional development during the summer, weekends, after school, inclass mentoring, and are released by a substitute to attend offerings during the instructional day.

All teachers participated in one District professional devlopment day prior to the opening of the school year. Teachers were able to self-select classes that best met their needs and grade-level. The teachers will receive 3 days of training at the school site for effective implementation of Core Knowledge at the school site with our Core Knowledge Coordinator. Teachers work closely together throughout the year with their grade level collaggues to develop lessons and plans to meet the needs of their students based on the assessments that are given throughout the year.

The District also offers various workshops throughout the year to meet the needs of non-teaching staff members, including use of the various computer programs, cleaning techniques, school safety, and student attendance.

- \*All new teachers have been trained by RUSD Staff Developer to work with struggling readers (K-2 Institute/OG and Advanced Phonics training for 3-6)
- \*All teachers in grades 3-6 have recieved 3-days of training with the Language Arts materials (CKLA and Amplify)
