School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Summit View Independent Study is a 10th through 12th-grade independent study school housed at the Educational Options Center (EOC). Students are required to come to school between 2-4 hours per week to meet with their teacher and attend labs, if applicable. Students work in Student Instructional Manuals (SIMs), in Google Classroom LMS or in Odysseyware, an online learning management platform.

Summit View provides a flexible standards-based alternative for a wide variety of secondary students and serves students from all attendance areas within the RUSD. In addition, it accepts inter-district transfers from contiguous districts/counties. In order to attend Summit View, students must obtain a referral from one of the comprehensive high schools, an alternative school, or the RUSD Pupil Services Office. Students attend Summit View for reasons including the benefits of one-to-one instruction, safety issues, medical conditions, success of other siblings in the school, vocational programs, the desire to graduate early or to concurrently enroll in a community college, parents' desires for children to be in a home school type of program, and credit recovery.

Schoolwide Learner Outcomes (SLOs) were adopted in 2010 by the staff and School Site Council. They describe the basic qualities that each student should possess when leaving high school. The SLOs listed below, along with the school's mission statement, help guide the creation of curriculum and instruction. All schools in the Educational Options division share the same SLOs. In addition to achieving mastery of grade-level and/or Common Core State Standards, every student will become:

1. An effective communicator who...
   - Responds to the topic
   - Develops ideas with support
   - Attends to the needs of the audience

- Demonstrates proficiency with multiple communication strategies

2. A skilled problem solver who...
   - Restates a given situation
   - Explains possible choices and consequences
   - Develops the ability to think logically and abstractly with language, numbers, and symbols
   - Builds imaginative, creative and innovative responses that incorporate efficient feedback cycles

3. A proficient technology user who...
   - Manages data efficiently
   - Interacts with various print and digital resources
   - Manipulates print and digital media to communicate ideas
   - Effectively and appropriately integrates text, graphics, and information sources

4. An informed career planner who...
   - Researches various career fields
   - Identifies a career and/or college pathway
   - Applies study time to building pathways for attaining a career or college entrance
   - Understands the importance of networking

5. An engaged community member who...
   - Understands the importance of being an active member of a larger community
   - Volunteers time and energy to causes in the community
   - Seeks appropriate mentors
   - Makes relevant connections to continued learning opportunities

Due to the COVID-19 pandemic, RUSD allowed parents to select an instructional program: in-person, virtual, or home-based. Therefore, to prepare for the 2020-21 school year, our district restructured the independent study program offered at Summit View in order to accommodate these instructional program choices. Thus, for the 2020-21 school year, Summit View will reflect the enrollment of students who are assigned to the home-based program.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 10/01/20

The table displays information collected in 10/02/2020 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

It was determined that each RUSD school had sufficient and good quality textbooks, instructional materials, or science lab equipment, where appropriate, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a 6-year cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

Riverside Unified School District adopts instructional materials on a regular schedule based on State adoptions. All students receive appropriate, up-to-date instructional materials for use in the classroom and at home. All materials currently in use have been selected by the staff with parent input, and approved by the Board of Education according to state adoption requirements. Teachers are provided training in the use of new materials.

Riverside Unified School District maintains both 5 and 15 year major maintenance plans for all schools. These plans are located at the District's Maintenance and Operations Office and are available for review.

Riverside Unified School District has instituted a formal school facility inspection system based on State of California School Facility Condition Criteria. The State criteria consist of 13 building components typically found in school facilities.

Riverside Unified School District has allocated funds for the sole purpose of school maintenance pursuant to Education Code sections 17002(d), 17014, 17032.5, 17070.75(a), and 17089(b). The information below displays the number of individual maintenance work orders completed in the last 12 months and the assessed value of the work completed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Riverside Unified School District (RUSD) prepares students to succeed in real-world contexts through its career education pathways to develop critical thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. The district has 42 pathways - five State-funded California Partnership Academies, numerous grant-funded career technical pathways, as well as a number of ROP programs. Each program has a sequence of courses that provides individuals with academic and technical knowledge and skills through integrated academic and technical instruction. CTE in RUSD allows us to create engaging experiences for our students to explore and develop their unique talents, interests and strengths. Our programs provide robust academic knowledge, technical competency, and professional skills so they can build a competitive advantage.

Note: Cells with N/A values do not require data.
Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Numerous points of contact exist between the school and parents:
- In addition to the administrators, the counselors and campus manager are readily available to parents by phone or to schedule a conference.
- The Attendance Assistant maintains very close contact with families when students are tardy, truant, or absent.
- Teachers and/or their assistants also call parents when students are absent, not producing work/credits, or having behavioral issues, as needed. They also contact parents when students complete classes or for other positive acknowledgments.
- If a student has poor attendance, a 1:1 SART meeting is held with the School Counselor or Assistant Principal to discuss concerns and provide resources, if needed.
- The District uses GoGuardian software program to help schools easily manage their devices, better understand their students, and keep them safer online. If the GoGuardian filtering system identifies concerning student searches (e.g., suicide, depression, acts of violence), it will notify the parent(s), the District, school administration, and school/mental health counselors.
- SST, 504 Plan, and IEP meetings are held, as needed with students, parents, teachers, and counselors.
- The school has a Google Site: https://sites.google.com/riversideunified.org/educationaloptionscenter/home and the EOC Student Center/College and Career Center also has a Google Site: https://sites.google.com/riversideunified.org/eocstudentcenter/home

There are various events and committees that parents are invited to participate in:

- Every Fall, the campus holds a Meet and Greet in lieu of a typical Back to School Night. Meet and Greet encourages parents, students, and staff to come together for a fun community and family event. The event hosts community agency businesses and resources, provides a meal, raffle prizes, games, face-painting, and music.
- A Parent/Teacher/Student Conference day is also scheduled in the Fall, after Meet and Greet, to allow teachers to meet with parents and students to discuss progress and next steps.
- Parents are encouraged to become involved by joining the School Site Council (SSC) and/or English Learner Advisory Council (ELAC) or by attending their meetings. SSC meets seven times per year. ELAC meets four times yearly. Both councils exist as a means for parents to advise the school on issues involving school improvement and for the school to provide information to the community.
- Parents are also informed about students and school events through Parent Messenger (auto-dialer and auto-email), social media, the school's webpage, a News Flash that is updated on an ongoing basis and accessible through the website, the School Newsletter (The Campus Scoop), US Mail letters/flyers/notices and the marquee at the front of the campus. Teachers have their own Google Classroom Hub and some teachers also use a class Facebook page and parents can contact the teachers through Facebook Messenger.
- RCC and FAFSA Workshops are held multiple times a year to support parents and students.
- EOC holds an annual College and Career Fair and annual Wellness Fair, where students and parents are invited to attend. Community resources attend to support the school community.

For more information on parent opportunities to become involved, please contact Ed Davalos at 951-276-7670.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
Dropout Rate	23.8	23.2	14.7	4.8	4.7	2.1	9.1	9.6	9
Graduation Rate	48.8	45.8	72.1	91	91.1	95.2	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.0	0.7	3.8	4.4	3.5	3.5
Expulsions	0.0	0.2	0.2	0.3	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.60	3.13	
Expulsions	0.30	0.18	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The School Site Council or the Site Safety Committee is responsible for the development and updating of the school's Comprehensive Safety Plan. A Site Comprehensive Safety Plan Checklist is provided by the Pupil Services Department to give guidance on what should be included in the School's Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by January 31 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, lockdown, and active shooter/intruder drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; provisions of any schoolwide dress code including the definition of "gang related apparel"; safe movement of pupils, parents and school employees to and from school; strategies in maintaining a safe and orderly school environment; visitors on campus; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspensions, expulsion or mandatory expulsion and other school designated serious acts which would lead to suspension or expulsion, notification to teachers, anti-bullying policy, discrimination/harassment, and school discipline rules and procedures pursuant to EC 35291 and EC 35291.5. The school also has an assigned School Resource Officer (SRO).

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	4	5

This year, 2020-21, teachers attended a week's worth of professional development prior to school beginning. The focus of this professional development was technology and instructional technology and how to teach students all of the content that the teachers are well-versed in, but online during this time of distance learning. Teachers continue to be trained in strategies to address student social-emotional wellness and social justice. The Certificated and Classified school site staff continued to work with the RUSD Guide for Instructional Direction during faculty/staff meetings, Leadership Team meetings, and collaboration time.

In addition to teacher professional development, the school continues to ensure that all classified staff receive ongoing training and have monthly business meetings. Over the years, Google forms have been used to survey staff and provide professional development in the area of need/desire. The monthly business meetings are used to share updates about what's happening in the district or the school, provide team-building opportunities, and addressing areas of concern or questions. The Classified Office Staff also continues to hold monthly meetings to discuss the smooth running of the front office which includes attendance, registration, the health office, and other essential components. Classified staff training topics have included: Google, Gallup Strengths, Restorative Practices, RUSD Guide for Instructional Direction, Social/Emotional Needs of our Students and will include various guest speakers, etc. Some teachers and classified staff are also be trained in Pro-Act. The Pro-ACT Philosophy or Principle (rather than techniques) is based upon a set of principles that focus on maintaining student dignity while keeping students and staff safe during behavioral episodes. Classified Office Staff and administration meet monthly to discuss procedures and maintain the smooth running of the front office.

In 2017-19, teachers participated in Professional Development based upon their needs and the newly adopted Mathematics curriculum. ELA teachers continued to be provided with professional development opportunities and coaching support. Teachers also chose a range of professional development activities, including but not limited to presenting at conferences or training others, attending district professional development offerings, visiting other school sites/districts, attending workshops/conferences offered through outside organizations, and/or having small group professional development delivered to them from District Instructional Specialists. Teachers will also participate in professional development in the areas of social justice, social-emotional wellness and they have coaching available from the Learning Together Strengths Academy consultants. Teachers attended one pull out day and one Faculty meeting training regarding the newly adopted Danielson Framework. Depending on the grade level, subject, or school focus, teachers participated in 3 – 10 days of professional development.

Teachers and classified are supported during their implementation of various training. Administration offers "Chat Time" to allow teachers to drop in and ask questions and chat, impromptu phone calls to staff, links to schedule virtual meetings to provide support, and in-class coaching. The district's Instructional Specialists and coaches support staff at EOC by offering workshops, classroom visits and are always very responsive to emails and calls.
