### **I. CALL TO ORDER**

A. Pledge of Allegiance – Mr. Champagne called the meeting to order at 6:57 PM.

### **II. PUBLIC COMMENT**

Public Comment provides the opportunity for the public to make a comment. It is not a dialogue between the Board and the public. Based upon what is heard during Public Comment, the Board may choose to add a topic to the agenda. If questions are posed that the Chairperson is able to answer, those questions may be addressed under the Chairperson's Comments portion of the agenda. The Board will not discuss personnel matters. Comments should be respectful and no longer than 3 minutes in length so that all who wish to comment may have the opportunity to do so. All the public wanting to comment will need to state their name and address for the record prior to addressing the Board.

### **III. DISCUSSION AND POSSIBLE ACTION**

#### A. Financial Statement

Mr. Bucci reported that the district had anticipated receiving a 75% reimbursement from the special education grant; however, the actual reimbursement rate is 80%, which is great news. Notification of this adjustment was received earlier today. An additional amount is expected to be disbursed at the end of June, although the exact figure is currently unknown. The delay is due to the state not allocating the full \$40 million originally designated for special education. Mr. Bucci noted that, aside from this update, the district's financial status remains stable. He emphasized that final figures cannot be confirmed until the close of the fiscal year.
