7.0 Reports

7.1 ELAC Report

Ms. Rocchild reported that the next ELAC meeting will be September 28th at 6pm in Spanish and 6:30 in English, both meetings will be held online.

7.2 Student Report

No student report was made. Ms. Gomez expressed encouraging ASB students to participate.

7.3 Parent Report

Mr. Haro had no updates to report.

7.4 Staff Report

Mr. Villalobos reported that the field trip committee of staff and counselors are planning field trips. Mr. Villalobos also reported that the Wolf Trail held each month has been great as students are obtaining college and career information. This month students were provided with resources from Hartnell. Ms. Gomez asked if students will be provided with information about trade schools as well, as students have expressed interest. Mr. Green confirmed yes, that UTI will be coming next month.

Ms. Gomez reported that students are excited with ASB elections, deciding to hold a school wide vote. Ms. Gomez went on to report that hybrid has made a difference with accountability. While Ms. Rocchild added a comment that more students are engaging digitally, taking online classes more seriously, putting phones away. However, Mr. Atchley did state that after 30 minutes some students start tilting their computer screens back.

7.5 Administration Report

Mr. Green concurred that other teachers have voiced an increase in student engagement and attendance as more space and desks are needed, which is great as classrooms are growing. Mr. Green notified that there is an increase in student enrollment as there are currently 315 students including middle and high school students. The number is also projected to increase as the next enrollment intake will be October 11, 2022. Currently, 38 students have already submitted an application with the expectation that more will enroll. Although Mr. Green also shared that a few Tier IV students might be dropped as contact has been made with such students and guardians.

8.0 New Business

8.1 Review and Approve Budget Modifications

Mr. Green did reiterate as Ms. Pio discussed, money can be moved to different funds and purchases can be made with proper rationale. Mr. Green shared the funds available to El Puente, iterating there are sufficient funds to continue expenditures, while presenting an updated table on this school year's spending. Mr. Green did propose reallocating money to replace two computer labs. Money to rebuild Mr. Urciuoli's computer lab was placed on hold. Alchely did raise a question pertaining to using data to measure learning outcome. Mr. Green replied it is tricky to measure effectiveness, mostly relying on longitudinal data in Reading and Math.

Mr. Green discussed moving the below funds to be able to pay for planned field trips. A motion to approve the shifting of funds as shown in the table below was made. Mr. Villalobos motioned to reallocate money to proper funds and was seconded by Mr. Gross. There was no discussion. The final vote was:
