What did you notice that is new and you were in agreement or disagree on?

-student survey, action plan, HISD rubric for professionalism

Teachers do not agree on having student surveys as part of their evaluation in elementary school as it is very subjective. They voted against framework D and E. Teachers discussed the pros and cons of having 5 and 10 percent of the action plan on their evaluation. They shared their opinions of preferring 10% because Looscan meet all of the action plan indicators of success in the 2023-2024 school year. It was a unanimous vote to select Framework A as choice number 1, B as 2nd choice and C as 3rd choice.

- Principal submits campus exit ticket (5 min) submitted

### Future Meeting Dates:

- Feb 4, 2025

### Concerns
