

SCHOOL BUSINESS PARTNERSHIP

EACS IS LOOKING FOR BUSINESS PARTNERSHIPS

EACS is looking for businesses to partner with to enhance the students' experience, support community citizenship and provide more knowledgeable, skilled future employees and consumers. These partnerships build bridges of understanding and positive working relations between the business and education communities, like EACS.

Partnerships are formed by developing expectations for the relationship between the school and business, identifying benefits for both partners.

CONTACT US

If you or your business are interested in partnering with EACS please contact the front Office
