Volume 3 Issue #5 | June 2025

## A Message from Dr. Morris:

Dear Husky Community,

It's hard to believe that the school year is coming to a close. The dedication of our students, staff, and families continues to inspire me, and I am grateful to be part of such a dynamic and supportive school community.

This year, we have made great strides in enhancing student learning, expanding support services, and strengthening our partnerships with families and the broader Olean community. Our students continue to shine in countless ways, from academic achievements to athletic and artistic excellence. I want to sincerely thank our educators and staff who work tirelessly to create an engaging, inclusive, and nurturing environment for all students.

Looking ahead, our district remains committed to ensuring that every student has access to high-quality educational opportunities that prepare them for success beyond the classroom. Our district is actively engaged in curriculum enhancements, staff professional development, and initiatives focused on student well-being. We also continue to advocate for the resources necessary to support our schools and maintain the programs that make Olean a place of excellence.

I encourage families to stay involved by attending school events, engaging in discussions about district initiatives, and providing feedback that helps shape the future of our schools. Your partnership is invaluable, and we will continue to provide the best possible educational experience for all students.

*Dr. Genelle Morris*

### **Olean High School Hosts Annual Awards Breakfast:**

On Tuesday, May 28th, Olean High School held its annual Awards Breakfast. This tradition honors the dedication, talent, and accomplishments of our students. This year, over 200 students were recognized for their academic achievements, leadership, and character. In addition to receiving various awards and honors, many students received scholarships totaling thousands of dollars. We extend our heartfelt congratulations to all of this year's recipients. Your commitment to excellence continues to make Olean proud!

### Washington West Huskies Have Heart!

Our husky pups took on the Kids Heart Challenge to support the American Heart Association and crushed it! With a goal of \$5,000, our students went above and beyond, raising an incredible \$6,345.80! Top fundraisers celebrated in style with Mr. P and Ms. A, and the grand finale? Ms. A took a pie to the face in honor of their outstanding efforts! Thank you to all our heart-healthy huskies for your generosity and big hearts!

### Olean High School Prom 2025:

## Hatching Excitement at Eastview:

Students in Ms. Caya's, Ms. McIntosh's, Ms. Chase's, and Ms. Rodman's classes recently completed an egg-citing journey with Farm to School! Starting April 22, Mr. Kenyon visited the students weekly to teach them about incubators, various duck breeds, egg predictions, and proper care for ducklings. After 28 days, the ducklings hatched, and students identified their breeds through comparison and discussion. On May 23, the ducklings headed off to their new home on a farm! Thank you to our amazing teachers for bringing this hands-on experience to life!

### **Olean City School District Art Show:**

The Olean City School District is proud to celebrate the creativity, passion, and talent of our student artists, whose work was recently featured in the annual Art Show at the Olean Public Library. On display through late May, this year's show held special significance, as it was dedicated to the memory of Corrie Burdick, a beloved former art teacher at Washington West Elementary. Corrie inspired generations of young artists with her creativity, enthusiasm, and compassionate spirit. Her legacy lives on in the artwork and the hearts of the many students she touched. We thank the Olean Public Library for hosting this year's show.

## **OHS Students Explore Water Treatment Careers:**

Students in Mrs. Niece's class at Olean High School recently had the opportunity to step out of the classroom and into the world of public utilities during a Work-Based Learning trip to the Olean Water Treatment Plant, accompanied by Job Coach Mrs. Graves. This hands-on experience offered students a firsthand look at how clean, safe drinking water is produced and delivered to our community. Thank you to the dedicated team at the Olean Water Treatment Plant for welcoming our students and sharing their knowledge
