ESSERIII funds	Roughly \$1million to be used over 3 years. Must be carefully documented to meet spending requirements. 80% and 20% accounts. 20% Account can be used for academic remediation/enrichment which could include clubs, summer school, or evening/weekend tutoring. Requested proposal from RSI for 1 year and 3 year plans.
First Week Update	One word- Smooth. Rilke is a well oiled machine. The front office pit crew keeps the tank filled and new rubber on the track. The teachers and TAs had the engine running efficiently and they are ready to take the checkered flag.
Grounds	Amazing turn out for the beautification process. Asphalt around the fire lane was completed. SRO Mitchell helped get abandoned cars removed from along 64th Ave. (On going process)
