

FLORENCE RIDEOUT NEWSLETTER

OCT. 18TH, 2024

WHAT'S
NEW?

FRES

Although we had a short week, students packed as much learning and development in to each day as they could.

We encourage jackets for the cooler weather and proper shoes to play soccer. If you are in need of any of these items please reach out to the front office and we will handle the request with confidentiality.

Penny Wars start Monday so don't forget your coins to be able to participate.

For the Halloween Parade we are asking for no masks and no accessories.

Have a great weekend!

Halloween Parade from
FRES starts at 1:30PM on
Oct. 31st

Halloween Parade from
LCS starts at 12:15PM on
Oct. 31st

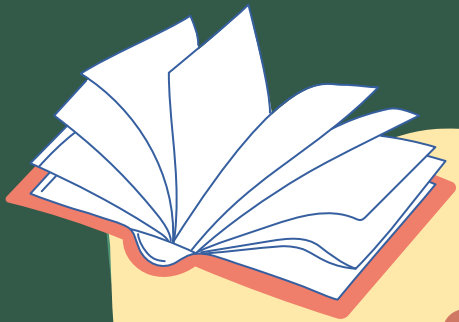

FALL DANCE

Friday, Nov 1st @ 6pm -7:30pm

This week at LCS, we switched up recess and lunch! All three classrooms will now enjoy recess and lunch together. We finished the iReady diagnostic for reading and math; families will receive their child's diagnostic results during parent conferences. LCS students will participate in our Halloween parade! We will walk from LCS to the town cannon (across from the Village Store). Families are invited to line the streets to cheer us on! The parade will begin at 12:15 PM. The Penny Wars are starting Monday, October 21st! Gather all your loose change to compete against the other classes for a chance to win a PJ Party and lead our Halloween parade! Penny Wars is a PTO fundraiser to benefit LCS and FRES! Finally, we will begin our "First Responders" month with a visit from the fire department on Tuesday, 10/22, and the ambulance service on Friday, 10/25. Have a fabulous weekend!!!

BOO!

- 11/8 No School
- 11/11 No School Veterans Day

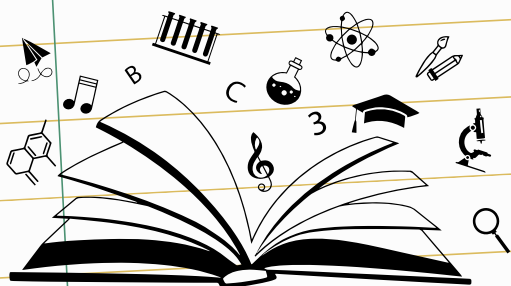

SPECIAL EDUCATION CASE MANAGERS

Meet the special education case managers, Mrs. Dailey, Mrs. Levesque, and Mrs. Roberts. Our job has two parts: teaching and case managing.

The Special Education team at FRES works hard everyday, providing services to students in math, reading, and writing. Small groups are honing their skills in a variety of ways: learning centers, games and interactive lessons, along with intervention lessons. All are incorporated in lesson plans each day to assist our students and the team in discovering what learning style works best for each student. Students are assessed to determine what areas to focus on for specialized instruction. Some of the programs we use are Heggerty, LIPS, Foundations, Wilson, Visualizing and Verbalizing, Mystery Writing, and Envisions.

We also evaluate students for new referrals to special education, 3 year re-evaluations for existing students in special education, and any other evaluations that may be necessary. Fun fact, we also evaluate students referred to special education from The Pine Hill School at High Mowing. We attend numerous meetings for referrals, evaluation reviews, eligibility, IEP development, and amendments. We love working with our students and watching them grow!
