

FRES & LCS WEEKLY NEWSLETTER

THIS WEEK AT FRES

MAY 23, 2024

This week concluded the After-School Tutoring here at FRES. Please make the necessary changes on the PickUp Patrol on how your student will be dismissed moving forward.

Last week, the 4th Grade held their annual Economics Fair in which students raised, **\$575.75!!!** The two top earners in each 4th Grade were Hannah Gill and Colton Sargent. They have decided to split the earnings and donate half to Best Friends Animal Society and half to the Boston Children's Hospital. Great job students! We are so proud of your hard work and your generous donations.

NO School Friday or Monday

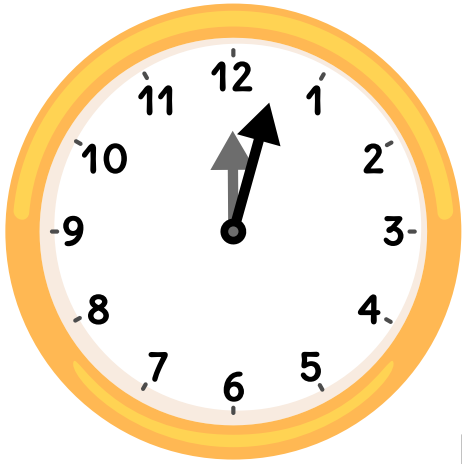

In the past few weeks we have noticed a growing trend. Parent/guardians are making contact with their student while out at recess. This is a safety concern because not all recess staff know who the parents/guardians are and we simply ask that you make contact with the front office **before** making contact with your child out on the playground and/or field.

Top earners from 4th Grade Economic Fair.
Congratulations
Hannah Gill
Colton Sargent

4th Grade combined earned **\$575.75!**

Dress Code

As the days become warmer we would like to reiterate our dress code policy which can be found in the Parent/Student Handbook on the Florence Rideout School Website:

School Dress

Clothing makes a statement, and we want that statement to be a respectful one. Footwear is important in terms of comfort and safety while running and playing on rough ground.

Violations to the policy may result in a telephone call to parents to bring appropriate clothing to school.

1. Shirt, hat, and jewelry emblems should not be offensive (no reference to alcohol, drugs, off-color language, violence, or sex). Students are asked to remove their hats while in the building.
2. Appropriate footwear must be worn in order to safely play on playground equipment. Sneakers or athletic shoes are required for participation in PE class.

Warmer weather:

3. Modest, sensible apparel is encouraged. Blouses and shirts should cover the mid-section of the body. Spaghetti straps and low-cut blouses are discouraged.
4. Shorts and cutoffs should be mid-thigh or longer.
5. Bicyclists must wear helmets.
6. Flip-flops are not allowed

If you have any questions please reach out to the front office @ (603) 732-9229.

Library NEWS

The end of the year is always very busy in the library as we try to get all books found, checked in, and put away - and this year is no exception! Please be on the lookout for a slip being sent home with your child that shows what books they still have checked out. For books that have been lost or misplaced, please reach out to Ms. Loiselle. If you and your child believe a book has been returned, but still shows up on their slip, you can either return the slip with the book circled and a note, or email s.loiselle@sau63.org.

Students have been showing off their incredible end-of-year projects. Fourth graders are editing and completing book trailer videos in Canva and revising state slideshow projects. Fifth graders have completed their self-designed passion projects and are proudly showing off their hard work. From sewing to baseball, historical research to landscape painting, container gardening to video game creation, this year's fifth graders are a creative and accomplished bunch! It has been so fun watching them grow and learn throughout their time here, and then seeing them put it all together into a project that means something special to them.

Students in second and third grades have been working on different kinds of folk literature genres, identifying the stories, and learning about new topics that will hopefully grow their passion for reading and research. First graders have been talking about how small things that we do every day can make a big difference in the lives of others and make the world a better place.

I look forward to these last few weeks of learning together before summer, and encourage anyone who has questions or concerns to reach out any time.

Warmly,

Ms. Loiselle
