

# FRES & LCS WEEKLY NEWSLETTER

## THIS WEEK AT FRES

MAY 10, 2024

With the end of the year approaching we would like to reiterate the safety needs we have at drop-off. Several students are being let out of vehicles in the road and at the handicap parking spots and this is extremely unsafe. We ask parents if they are not using the parent drop-off out back to park and walk your student into the school to ensure safety for all.

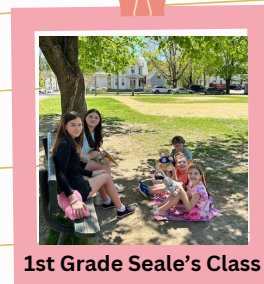

Summer Academy teachers have begun working behind the scenes to analyze data and draft lists of students who would benefit from Summer Academy. Summer Academy aims to improve student achievement by narrowing learning gaps in reading and mathematics. Invitations for this program will be sent to families in the coming days. With our dedicated teachers and staff, these programs and events are possible.

Tuesday 5/7/2024  
Butlers Bus Service held their Annual bus evacuation drill at WLC.

## Teddy Bear

## Picnic

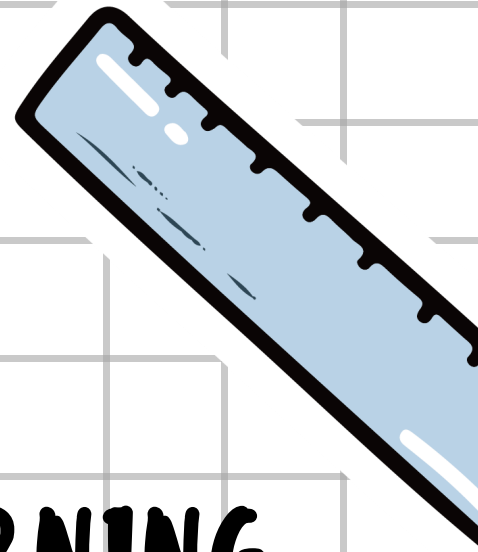

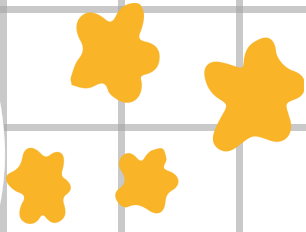

PTO celebrated our amazing staff during Teacher Appreciation Week (May 6-10, 2024) at both schools. Our thoughtful PTO organized breakfast baked goods, grab-and-go snacks, ice-brewed coffee, and many other treats to thank teachers and staff for all they do!

# LCS

What a fun and exciting week we had at LCS!!! Ms. Rourke's Class took a walk outside to go on a shape hunt! Ms. DiFilippo's Class finished writing their short stories (which included CVC words and digraphs) and then shared them in their writer's circle! Mrs. MacPherson's Class watched their plants sprout and their caterpillars turn into chrysalises!! Just a reminder that the PTO Plant Sale is Saturday May 18th at FRES from 9:00AM to 12:00 noon! If you would like to prepay for the plant your child planted, please reach out to your students' classroom teacher. On Tuesday June 4th our kindergarten kiddos will be traveling up to FRES for Step Up Day! On Thursday June 6th we will be traveling to the Friendly Farm for a field trip and finally, on Monday June 10th we will have our End of Year Celebration! More details to follow!  
Have a fabulous weekend!!!

# SPECIAL EDUCATION SERVICES

As the end of the school year quickly approaches, the special education department has been working diligently to complete everything on their “end of the year” checklist.

We can not finish out the year without acknowledging our last two service providers: Our school social worker, Christy Ruiz and our school psychologist, Erin Schneider. Ms. Ruiz works directly with students, focusing on improving social skills and developing tools to deal with challenging situations, as well as attending IEP meetings and progress check meetings with parents and the rest of the special education team. Ms. Schneider also works closely with the special education case managers and administers a variety of evaluations that focus on cognitive skills, attending meetings as well, where she offers her expertise in cognitive behavior.

**The special education case managers are lucky to have these two hard working ladies as part of the special education team!**

Gisele Dailey, Meghan Levesque, Heather Roberts
