

FRES & LCS WEEKLY NEWSLETTER

Earth Day

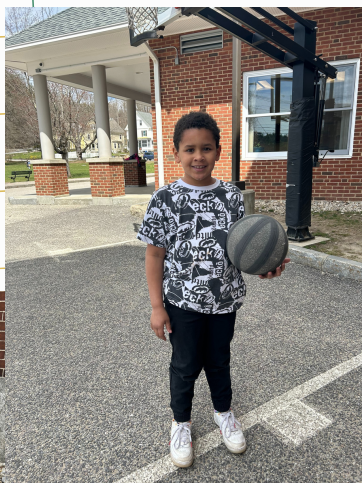

APRIL 19, 2024

THIS WEEK AT FRES

On Tuesday, our Kindergarten students embarked on a memorable journey to FRES for their first on-stage concert practice, and last night, grades K-2 shared their Summer Vibes with families and community members in a spectacular evening performance; well done, Ms. Kudlich! Students in grades 3-5 demonstrated their academic prowess by engaging in the NH SAS Reading assessment, and today, students throughout the district will take steps to “green up” our two towns. Grades K-5 worked with our artist-in-residence and Mr. Lamers to illustrate their community experience in two creative murals.

What a week we have had! Next week is Spring Break, enjoy and we will see you on Monday, April 29th.

Have a great Spring Break!

No School April 22 - 26th

LCS

We have had such an exciting week in kindergarten here at LCS!! Our baby chicks have hatched!!! It has been so fun watching our little chicks hatch out of their eggs! We have learned all about the incubation process and what chicks look like fresh out of the egg!! Ms. Joanne, an artist in residence came to LCS on Monday and helped our kiddos create a beautiful mural that is going to be added to murals made from FRES and WLC - so amazing!!! We also had students from the Junior Class come and help our students clean and beautify LCS for Earth Day! They all did a wonderful job! Just a reminder that next week is Spring Break!!! There will be no school from 4/22 - 4/26. Also, on Saturday 4/27 there will be a roadside cleanup for Earth Day! Please see the attached flier for more details. Have a safe and restful vacation!!
