

FRES & LCS WEEKLY NEWSLETTER

MARCH 15, 2024

THIS WEEK AT FRES

Monday, FRES staff members participated in a Professional Development day where they focused their attention on Social Studies, Math and Science.

First round of SAS testing has been completed. Students should be commended for their efforts. Parents/gaurdians should be on the look out for the second round schedule, which will be coming out in the near future.

Second grade visited the Colonial Theatre in Keene, NH this week. Students were entertained with a Musical titled Dot Dot Dot.

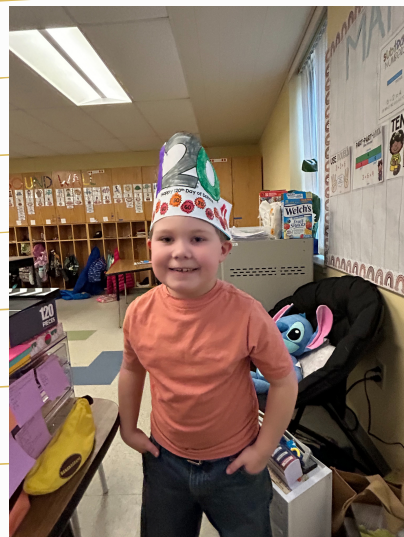

Friday, the Aviation Museum of New Hampshire joined our First Graders to experiment with paint and gravity. While the 5th Graders were treated to edible satelites this afternoon.

Have a great weekend.

Building Leprechaun traps with 5th Grade buddies!

120 Days in Menke's Class

Aviation Museum of New Hampshire

THANK YOU!

5th Grade

1st Grade

LCS

We have had such a wonderful (short) week here at LCS!!! Mrs. MacPherson's Class wrote lots and lots of stories this week and also learned all about leprechauns! Ms. D's Class and Ms. Rourke's Class also learned about leprechauns and they even made leprechaun traps!!! Just a reminder that kindergarten registration is now open! You can stop by LCS to register your child Monday- Friday 8:00 AM - 2 PM. If you have any questions please call Sherry LeBlanc (603) 732-9228. Have a great weekend!!!

Kindergarten registration is now open!

Counselor Message

Hello LCS & FRES families!

I can't believe we're almost at the end of the year. There have been so many great things happening at LCS & FRES. Lunch groups, class lessons, individual, and group counseling are still in full swing. It's been amazing getting to work with students and parents over the past seven months. The kindness, respect, humor, and intelligence of students is infectious. I'm beyond proud of students' social and emotional growth. We'll be ending the year with topics related to empathy and self-control. Again, I truly couldn't be happier for the progress I've seen from students. I couldn't imagine working in any other district. Thank you LCS and FRES families!

With gratitude,
Samuel Metivier (Mr. M)
School Counselor
