Hello LCS Families!! Our kindergarten kiddos all got to celebrate the 100th Day of School this week!!! They got to make special 100th Day of School headbands, make 100th Day of School trail mix, and really show off their math skills by counting pictures in the number 100!! Just a reminder that there will be no school between 2/26 and 3/1 for February Vacation! Have a fantastic weekend!!!!

SPECIAL ED WITH MS. ROBERT & MRS. DAILEY

The Special Education Team continues to work every day, assisting students who need intervention in reading, math, and writing. The team also consists of our wonderful related services too! The speech pathologist, occupational therapists, and physical therapist work with the special education case managers as well as the paraeducators to ensure that our students receive services in all areas of need. These individuals attend meetings and keep in constant contact with the case managers, to develop a plan that best works for each individual student. The FRES special educators are very lucky to have these wonderful, caring people as part of the team.
