

Hello RHS Parents,

Athletic Registration for the 2025-2026 School Year is open!

Please see below for instructions on how to register your student to participate in sports for the upcoming school year and important information to be aware of when registering.

We are on summer break until the beginning of August. We will review all pending registrations, as well as respond to all emails and calls at that time.

Rest assured, we will get you all squared away before Fall sports begin!

**If you need assistance with registration, please contact Arbiter support at:**

- (800) 311-4060 (We suggest calling if you're able, it's a quicker response!)
- [support@arbitersports.com](mailto:support@arbitersports.com)

**How to Register Your Student(s):**

- *NOTE: This is a new site/registration platform, so new accounts will need to be created regardless of if you have registered for sports in the past or not.*
- If you are registering your student **AS AN ATHLETE in a sport**, please follow **[THIS LINK](#)**
- If you are registering your student to be a **MANAGER of a sport**, please follow **[THIS LINK](#)**
- Follow all steps and submit your registration form
- You may register your student (or students if you have multiple kids playing sports for RHS) for all sports they anticipate participating in throughout the 2025-2026 school year, or you can just register them for Fall sports for now, and then add-on additional sports as they approach.
  - [Here is a calendar](#) outlining dates of all sports
- **For the signature portion of the registration form, please ensure you are providing the full name of both the parent and guardian that you entered into the fields when setting up the account (i.e. if you included middle names, those need to be included in the signature portion).**

**Important Things to Note:**

- It is \$100 per athlete per sport for RHS students, and \$200 per athlete per sport for non-RHS Students
  - You may pay online when you submit your registration, or you may bring exact cash or a check to the RHS front office starting in August. If you write a check, please make it payable to Roosevelt High School with "Athletic Registration - Student Name/Sport(s)" in the memo line

- **NOTE: Athletes will be allowed to practice without payment, but they will not be permitted to compete in any games/meet/competitions until their registration fee is paid in full.**
- For athletes participating in sports, **we need a [valid physical](#) (issued within 365 days of exam date) that is signed and dated by a doctor indicating that the athlete is medically eligible to participate in sports**
  - If the physical will expire during the sport season, please ensure you have an appointment scheduled. Once a physical is expired, the athlete is no longer allowed to practice or complete until a valid physical is provided to the school.
    - **Connected Chiro will be offering sports physicals at Our Launch at Roosevelt Middle School on August 2nd from 10:00 am-1:00 pm. They will be \$50, cash/check/card.**

For any questions that you didn't receive assistance with from Arbiter support, please contact Laura Eberle at [laura.eberle@weldre5j.org](mailto:laura.eberle@weldre5j.org), and she will get back to you at the beginning of August.

Have a great summer!
