Tidehaven ISD will involve parents and family members in jointly developing the family engagement policy by providing necessary coordination, technical assistance and any other support needed to assist the campuses with the creation and implementation of effective parental involvement activities that improve student academic success and school performance. Each campus will hold a Title I Parent Meeting at the beginning of the year to learn the requirements of the school's Title I program, as well as have the opportunity to help review, plan for, and make suggestions to improve the Title I program.

(B) LEA will provide support to assist build the capacity of all participating schools in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance.

Each campus will address this in ways that are appropriate for their campus such as parent meetings regarding STAAR, student schedules, beginning of year orientations, parent teacher conferences, and any other appropriate activities.

(C) Coordinate and integrate parent and family engagement strategies to the extent feasible and appropriate with other Federal, State, and local laws and programs.

Parents are invited to attend the parental involvement conference. Campuses will schedule conferences at times that are as convenient as possible for parents. Campuses may have parent meetings regarding state testing requirements, academic achievement standards as well as academic content standards.

Each campus will schedule an end of year meeting to review the Title programs, the components and how the campuses utilize the funds.

- (E) Use findings of the annual evaluation to design evidence-based strategies for more effective parental involvement and revise the policy as needed.
