

4341-R, Section 3 Personnel Authorized to Carry Concealed Firearms - Ammunition Requirements

All ammunition for Concealed Carry Firearms while on School District Property or in District-sponsored training will be approved by District approved trainers.

Ammunition will be up-to-date from a current manufacturer; which includes, but is not limited to, the following manufacturers:

- Cor-Bon
- Federal
- Remington
- Hornady
- Speer
- Winchester

No Concealed Carry Firearm intended for carry or use in any capacity may be loaded, or readied for use, with any reloaded, experimental, or personally created customized ammunition. Only authorized, factory ammunition may be utilized for any Concealed Carry Firearm when governed by this policy. This standard also applies to any firearms training.

Ammunition approved for Concealed Carry Firearms on School District Property will ONLY be ammunition that meets FBI standards for penetration.
