Supplies for 4th Grade

Students rotate between classrooms by subject area, so all of your personal supplies need to fit in your pencil box and backpack. Any supplies that don't fit in your pencil box or backpack can be donated to class supplies. Don't forget to put your name on all of your stuff! We understand how expensive all these items are, so just do your best to get the items on the list below. We have starred items that are most important if you are on a tight budget.
