Special Area Supply List

We could use your help. As budgets become tighter we are searching for ways to maintain the quality of education we want for all children at Waggoner. One way you can help is by volunteering to provide school supplies for next year. The district must see to it that all children have what they need but any supplies you provide will enable us to use money for other essential materials and services for your child. Below is a list of supplies that the special area teachers could use. Again, this is a voluntary contribution and not a requirement. We thank you so much for your help and support!
