## *CCSD to Honor Students with Outstanding Attendance Celebration*

### Office of Communications

**Anita W. Huggins, M.Ed.**  
Superintendent of Schools

**Michelle A. Mills**  
Associate of Communications

**Who:** Media outlets are welcome and encouraged to attend.

**What:** As the Charleston County School District (CCSD) wraps up the 2024–2025 academic year and its districtwide attendance initiatives, the district is proud to host its second annual **Outstanding Attendance Celebration** to recognize students who achieved exemplary attendance throughout the school year.

The event will honor students whose consistent presence in the classroom reflects their dedication to academic success, as well as the support of the families who helped make it possible.

The celebration will feature games, field activities, vendors, raffles, and more, creating a festive, family-friendly atmosphere to commemorate this impressive milestone. Student achievements will be highlighted throughout the event.

**When:** Saturday, June 7, 2025, from 11:00 a.m. to 2:00 p.m.

**Where:** West Ashley High School, Football Stadium, 4060 West Wildcat Boulevard, Charleston, SC 29414

For more information, please contact CCSD's Office of Communications at (843) 937-6303.

### **About the Charleston County School District**

Charleston County School District (CCSD) is a nationally accredited school district committed to providing equitable and quality educational opportunities for all its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves approximately 50,000 students in 88 schools and specialized programs.

CCSD offers a diverse portfolio of educational options and specialized programs delivered to the students of CCSD through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools and programs. Rich educational opportunities for students include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; military; dual credit; and many more.
