Reminder

Dear Bayonne Community,

May 19, 2022

Today our school security team at one of our entrances at the high school stopped and detained a high school student trying to enter with a look-a-like toy gun / water pistol. Our security, faculty and administration do a great job keeping our students safe.

Please do not let any of your children come to school with any weapons - even if they are toys. Unfortunately, based upon how manufacturers model some of these toys/replicas they could be confused as a real weapon.

As a reminder to our students, parents, guardians, caregivers, faculty and staff there is no place for weapons or look-a-like toy weapons in our schools.

Sincerely,

John J. Niesz
Superintendent of Schools
