Description of Services

Choctaw-Nicoma Park School District to purchase the chat-based tutoring services and actionable insights provided through Paper's online platform for students studying at Choctaw-Nicoma Park School District. Paper will provide Choctaw-Nicoma Park School District with teacher user accounts, administrator accounts, at no additional cost.

Paper will execute professional development and student orientations for the students participating in the agreement. Paper will provide Choctaw-Nicoma Park School District with routine check-ins and extra training as needed.

Paper will provide Choctaw-Nicoma Park School District with marketing materials and marketing strategies to ensure student engagement grows.

What is Paper?

Paper provides schools with unlimited access to a variety of services through a device-agnostic, secure, Educational Support System (ESS). With Paper, students receive Unlimited 24/7 One-on-one Tutoring for all subjects, delivered by a live educator through Paper's Classroom in both English and Spanish.

Each online educator is a Paper Employee who is trained in the Socratic teaching method and undergoes a criminal background check prior to employment. Paper also provides students with Essay Review, where students can upload any piece of written work and receive an annotated version of their work within twenty-four hours.

All student activity on Paper is recorded, tracked, and made readily available to school teachers and administrators. This equips teachers with Transparent Insights on how their students are learning outside the classroom and helps educators personalize their instruction.

Paper's Student Success team works closely with each and every partner school to understand the specific needs and goals at each site. Through professional development, student orientations, and much more, Paper ensures that schools are excited and ready to level the playing field for all.

Cost Proposal

Our pricing uses an annual per-student rate for unlimited 24/7 tutoring. This rate includes licensing fees, support, ongoing professional development in using Paper, and monthly meetings with your customer success team. We believe in providing schools and districts with a pricing model that gives them affordability and predictability in their budgeting.

There is **no additional cost** for teacher and administrator accounts, implementation (including onboarding of students, parents, guardians, teachers, and administrator)(s), technical assistance, virtual staff training fees, or support with marketing plans and materials.

Paper™ Educational Support System Service Agreement

This Paper™ Educational Support System Service Agreement is entered into by and between:

Paper Education America Inc., a Delaware corporation having its principal place of business at 1223 Wilshire Blvd #1520 Santa Monica, CA 90403 ("**Paper**"); and

Choctaw-Nicoma Park School District, an educational institution having its head office at 112880 NE 10th St, Choctaw, OK, 73020, United States ("**District**").

(each a "**Party**", and collectively the "**Parties**")

RECITALS

WHEREAS, Paper has developed an online educational support system that provides a variety of personalized learning services designed to improve student achievement, the features of which are more fully set out on Paper's website located at www.paper.co (the "**Platform**");

WHEREAS, District wishes to provide to its students access to the Platform for educational support purposes in connection with their educational journey with the District from Kindergarten through Grade 12 and preparation for college and/or their future career, as well as allowing teachers and administrators to access the Platform for supervision, reporting, and administration purposes;

WHEREAS, Paper and District wish to set out the contractual terms pursuant to which access to students, teachers and administrators will be given to the Platform.

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Introduction and Term

Capitalized terms where used herein and not defined in the body of this agreement shall have the meaning given to them in Schedule B "Definitions".

A. Overview of the Services

For the duration of the Term, Paper will provide access to the Platform to the District's Users, plus related Services as further described herein. The Platform provides User access to a variety of educational support functionality, which includes the following if purchased, but is not limited to: access to live help (on demand tutoring) and homework review (Review Centre) provided by Educators, independent and interactive subject matter practice modules (Paper Missions, Paper Reading, Paper Math), and tools for academic planning and college and career readiness (MajorClarity by Paper). Students may access the Platform only for their

educational use in connection with their educational journey with the District from Kindergarten through Grade 12 and preparation for college and/or their future career.

In addition to the services described above, District may also purchase G.R.O.W. High Impact Tutoring services.

The actual Services purchased, as well as the price and other particulars therefor, are set out in the Order Form.

B. Effective Date and Term

The Term of this Agreement shall commence upon signature by both Parties. This Agreement will automatically renew for an additional one-year Renewal Term upon completion of the Initial Term, and upon completion of any Renewal Term, for the number of students and according to the annualized pricing set forth in the Order Form, unless either party provides prior notice of such Party's intent to terminate or modify the Order Form terms for the Renewal Term at least sixty (60) calendar days prior to the end of then Current Term. The Services will commence upon signature unless otherwise stated in the Order Form.

C. Termination

A Party may terminate this Agreement in the event the other Party breaches the terms of this Agreement and has failed to remedy such breach within thirty (30) calendar days of written notice given by the non-breaching Party. Without limiting the foregoing, Paper may terminate and/or suspend access to the Platform in its discretion in the event of non-payment of Service fees.

Notwithstanding any provision of applicable law, this Agreement may not be terminated for convenience without the consent of both Parties.

All rights to the Services, including access to and use of the Platform, expire when this Agreement is terminated, regardless of the reason for termination, and no such rights of use or access shall subsist for District or any Users.

2. Paper's Obligations

Paper agrees to reasonably cooperate with District in its provision of the Services, including, but not limited to, fulfilling the following obligations under the present Agreement:

A. Access to the Platform

Upon commencement of the Initial Term, Paper will promptly create accounts for District's Users to enable their Platform access, utilizing the rostering data provided by the District hereunder, and in the manner further described in this Agreement.

B. Professional Development/Platform Training

Paper will provide reasonable and appropriate training on use of the Platform to District's teacher and administrator Users (e.g., training and workshops). Unless otherwise set out in the Order Form, training services shall be provided remotely by Paper and without additional charge to District.

C. Service Level Commitment

The Platform will be available on a 24/7 basis, 95% of the time calculated on a monthly basis (subject to any required emergency maintenance); however, District acknowledges that Educators qualified to interact with students on all course topics and in all languages for Live Help and Review Centre services may not be available at all service times.

The Platform will not be considered unavailable to District if District's inability to access or use the Platform arises due to (i) delays on the part of District with the provisioning of data required for rostering, (ii) problems with Districts' or Users' hardware or software, (iii) problems with third-party telecommunication services or networks, (iv) other delays on the part of the District or within the District's control, (v) required emergency maintenance, and (v) any other circumstances beyond the control of Paper, including due to force majeure. For clarity, District's payment obligations set forth in 3.D below shall continue to be applicable in any of the foregoing circumstances (i) through (vi).

Paper shall take commercially reasonable measures to ensure that maintenance takes place during scheduled maintenance periods.

D. Technical Support

Paper agrees to provide reasonable technical support to District using industry standard remote communication methods during business hours, except holidays observed by Paper. The purpose of the technical support service is to attempt to identify and resolve functional problems in the Platform.

E. Privacy and Security

Paper agrees to process personally identifiable information of Users (hereinafter, "User PII") as described in the the Paper Educational Support System Privacy Statement, accessible at <https://pages.paper.co/privacy-statement> (hereinafter, the "Paper Privacy Statement"), which is incorporated herein by reference and may be updated from time to time according to the process set forth therein in order to reflect new or modified Platform functionality, technology, service providers, or other changes to our collection and use of personal information. District acknowledges that advance or new features or functionality made available to District may not be expressly addressed by the Paper Privacy Statement upon initial availability for testing, feedback, or initial integration purposes, although Paper will always process User data in alignment with the principles therein.

Paper shall maintain an industry standard information security program designed to protect against reasonably anticipated threats and hazards to the security and integrity of User PII. The Parties agree that properly de-identified data derived from the Services shall not constitute User PII and that Paper may use such de-identified data for any lawful purpose.

F. User Adoption and Engagement Activities

Paper agrees to provide reasonable support to District in relation to encouraging adoption and use of the contracted Services by District's Users. Such reasonable support includes, but is not limited to, providing District with commercially reasonable awareness materials that can be distributed by District, and providing teacher and administration training services as described herein.

G. Usage Reporting and Impact Assessment

Upon written request, Paper agrees to provide commercially reasonable reporting to District on usage of the Services with any District-specific requirements mutually agreed upon by the Parties prior to the execution of the contract to ensure the requested data is accessible and shareable. Contingent on District's provision of required outcome, diagnostic, or achievement data, and any optional study-dependent demographic data, Paper may, at its discretion, conduct impact assessments for District.

H. Subcontracting and Third-Party Service Providers

Paper may subcontract obligations under the Agreement but will remain liable to District for any subcontracted obligations. District acknowledges and agrees that Paper Education may share information with third-party service providers used in the provision of Services as further described in the Paper Privacy Statement.
