Summer College Campus Visits

A key part of deciding which college to go to is finding a good fit. And a great way to get more information is to visit the colleges in person. VISIT the colleges/universities websites to sign up to take FREE campus tours!

Virtual tours are also a great way to learn more about a campus. It can help you determine whether a college is the right place for you and prepare you for a campus visit at your convenience.

EATS FOR EAST

The mission of East High School's Eats for East meal program is to provide healthy meals and snacks to students during non-school hours. The program supports, on a weekly basis, our unaccompanied youth, homeless students and families in need.

Good nutrition promotes good academics, and this program will ensure that students arrive on Monday morning ready to learn. When students feel their best, they do their best.

The vision for this program is that students be provided healthy food on both school and non-school days. Our schools are our community, and by providing meals and snacks over the weekend, we are supporting our students and improving our community one backpack at a time.

Donations and other inquiries can be directed to Sandy Waubanascum, social worker, at 920-272-7059 or at slwaubanascum@gbaps.org.

ROBINSON, INC.

"Working for Robinson at a young age made me a highly sought-after asset in the construction and electrical industry, inspiring me to recommend Youth Apprenticeship to my peers. Two friends joined Robinson through Y/A, gaining opportunities to become welders or electricians. Thanks to the guidance of my YA Coach, Mindy Frank, I am pursuing my goal of becoming a journeyman electrician and studying electrical engineering. I have no clue where I would be without joining Youth Apprenticeship."
