

NS10 Interview – Principal / Food Service Director

Are foods or beverages served (not sold) to students after the school day on school grounds, including before/after care, clubs, and afterschool programming?

If yes, does the district have nutrition standards (such as Smart Snacks or CACFP) that regulate what can be served?

How are these regulations communicated to the adults running the activities? How confident are you that the regulations are followed consistently?

0	There are no restrictions on the types of foods and beverages served after school on school grounds.
1	The school serves foods and beverages after the school day, and the interviewee is somewhat confident that all items meet Smart Snack or CACFP standards.
2	The interviewee is confident that there are no foods served after the school day, or all items served meet Smart Snack or CACFP standards.

NS10: Addresses nutrition standards for all foods and beverages served to students after the school day, including, before/after care on school grounds, clubs, and after school programming.

NS11 Interview – Principal / Food Service Director

Addresses nutrition standards for all foods and beverages sold (not served) to students after the school day, including before/after care on school grounds, clubs, and after school programming

0	There are no restrictions on the types of foods and beverages sold after school on school grounds.
1	The school sells foods/beverages after the school day, and the interviewee is somewhat confident that all items meet Smart Snack standards.
2	The interviewee is confident that there are no foods sold after the school day, or all items sold meet Smart Snack standards.

NS11: Addresses nutrition standards for all foods and beverages sold to students after the school day, including before/after care on school grounds, clubs, and after school programming.

NS12 Interview – Principal / Teacher

Do teachers use food as a reward in the classroom for good student behavior (e.g., giving out candy for a right answer; having a pizza party when students finish a unit).

0	The interviewee believes that many teachers do use food as a reward in the classroom.
1	The interviewee believes that a few, but not all, teachers use food as a reward in the classroom.
2	The interviewee is very confident that none of the teachers use food as a reward in the classroom.

NS12: Addresses food not being used as a reward.

NS13 Interview – Principal / Food Service Director

Do students have consistent and easy access to water throughout the school day? If yes, how? Follow up questions: Are students are permitted to carry water bottles with them throughout the school day? Are there water fountains or free water filling stations throughout the school? Is bottled water is for sale during the school day?

0	Water is not available to students outside of the cafeteria.
1	There is limited water availability for students outside the cafeteria (limited due to few locations or limited because students must purchase it).
2	Students have consistent access to water at no cost throughout the school day.

NS13: Addresses availability of free drinking water throughout the school day.
