

IEC3– District Level Official, Principal	
Is there an official who is responsible for the implementation and compliance with the wellness policy at the building level for each school? If yes, who are those individuals? How do they ensure compliance?	
0	There is no one responsible for policy implementation and compliance in each school building.
1	The respondent believes that there are officials responsible for policy implementation and compliance, but cannot give specific examples of who they are or how this is achieved.
2	It is clear that a district level official is in charge of ensuring policy compliance across schools, and a building level official is in charge of each school. The respondent can give examples of how this is achieved (e.g., each school provides annual written reports on compliance with specific policies). <i>Principals - policy on website</i>
IEC3: Identifies the officials responsible for the implementation and compliance of the local wellness policy. Federal Rule language states that each local educational agency must "designate one or more local educational agency officials or school officials to ensure that each participating school complies with the local school wellness policy."	

IEC4– District Level Official, Principal	
How is the wellness policy made available to the public? Is it available online? How often is the public informed where to find the policy?	
0	The policy is not shared with the public.
1	The policy is available only upon request or there has not been communication about it in over a year.
2	The policy is posted online and the policy is distributed to the public with any updates at least once a year through district communication channels.
IEC4: Addresses making the wellness policy available to the public. Federal Rule language states that local educational agencies must "inform the public about the content and implementation of the local school wellness policy, and make the policy and any updates to the policy available to the public on an annual basis."	

IEC5 – District Level Official	
How does the committee assess implementation of the wellness policy? How often does this assessment occur? [Examples of evaluation tools are: the CDC's School Health Index, the Alliance for a Healthier Generation checklist, local or state policy implementation checklists, or the current interview.]	
0	District compliance with the wellness policy has not been assessed.
1	District compliance with the wellness policy has been assessed, but not within the last three years and/or not using a systematic process.
2	District compliance with the wellness policy has been systematically assessed within the last three years.
IEC5: Addresses the assessment of district implementation of the local wellness policy at least once every three years. Federal Rule language states that local educational agencies must "at least once every three years, assess schools' compliance with the local school wellness policy, and make assessment results available to the public."
