

Victory Lakes Intermediate School

2025-2026 School Supply List

Each teacher has his/her own unique organizational system and supply needs to support classroom instruction and to promote student preparedness for success. This supply list contains the majority of items needed for the school year, which allows parents to purchase items before the back-to-school rush, while supplies are still available in stores. During the first week of school, **students will give their school supplies to each of the subject area or advisory teachers as listed below. Teachers will assist students with this distribution.** All students will go to 5th period for the first class of the day on August 13, 2025.

Please note: There may be additional items requested on the teachers' syllabus, which will be available and communicated once school starts. **All 6th grade students are required to take the Launch course.**

6th Grade

Quantity	Items	For subjects
1-pair	Wired earbuds (for each individual student's use)	N/A - Students keep their own
1-pump bottle	Pump bottle of hand sanitizer (any size)	Advisory class (5 th period)
