**Woolwich Twp.** – Kingsway Regional High School is proud to announce that its NJROTC program has received the **Unit Achievement Award** for the 2024-2025 school year. This award recognizes the program's significant success and outstanding performance, placing it among the top 20% of NJROTC units in the region.

The Unit Achievement Award honors excellence in leadership, training, and community involvement. Cadets will proudly display the award's flag streamer and wear the Unit Achievement Ribbon throughout the year.

"We commend our cadets and Senior Chief Schuster, USN (Ret.), for their dedication and hard work," said Superintendent James Lavender. "This recognition highlights the strength of our NJROTC program and its positive impact on our students and community."

A video highlighting the cadets' accomplishments will be shared on Kingsway's KDTV channel and social media platforms.

About [Kingsway's Navy JROTC Program](#)

The NJROTC program was established by Public Law in 1964, which may be found in Title 10, U.S. Code, Chapter 102. The program is conducted at accredited secondary schools throughout the nation, and taught by instructors who are retired Navy, Marine Corps, and Coast Guard officers and enlisted personnel. The NJROTC-accredited curriculum emphasizes citizenship and leadership development, maritime heritage, the significance of sea power, and naval topics such as the fundamentals of naval operations, seamanship, navigation, and meteorology. Classroom instruction is enhanced throughout the year by extra-curricular activities of community service, academic, athletic, drill, and orienteering competitions, field meets, flights, visits to naval or other activities, marksmanship sports training, and physical fitness training.
