

Summer 2025

Dear Families,

Welcome to Community 1111

We are so excited you are joining our learning community and can't wait to meet you. My name is **Sarah Hattemer**, and I am thrilled to be your child's teacher next year. This is my 20th year teaching and 8th year at Dater Montessori. I have four adult children and 6 grandchildren! In the summer I love to garden and paddle kayaks and canoes.

This year, we welcome paraprofessional **Jade Colon** to our community who is joining us for her first year in a 3-6 classroom. Jade is not new to Dater however, she served last year in the Full Day program with Mary Freeman and she is a former Dater student. Jade is a kind and dedicated professional and I am happy she is joining us in our classroom this year.

Our classroom is a bustling, inviting place with exciting language, math, science, geography, and art works. We have a classroom pet, **Sparkle the Turtle**; it is fun to watch him swim in his tank. You will love your new classroom. I hope you have an amazing summer!
