

Welcome to Community 1320

Miss Jasmine's Class

Dear new families,

I am so excited to welcome you and your child to our community. We are going to have such a wonderful year full of learning, love, and laughter! I cannot wait to help your child learn and grow.

In our classroom, we align with the Montessori philosophy as much as possible. This means our class has students of multiple ages (6-9yrs). Our students also use uniquely crafted Montessori materials to help them learn each day.

A little about me...my name is Jasmine Miller, and students call me Miss Jasmine. This will be my 6th year as part of the Dater community. If you were to ask my students about me, they would probably mention I am a fruit and veggie fanatic that likes puns and puzzles. When I am not teaching tomorrow's leaders, I enjoy playing Sudoku and chess, visiting museums, and exploring new places. Needless to say, I am a lifelong learner and I hope to pass the love of learning on to your child!

Ms. Calhoun is my fabulous paraprofessional! This is her 3rd year at Dater. I am thankful to work with her for another year. Ms. Calhoun is a loving and energetic woman with a great sense of humor. She has two adult children and enjoys trying new restaurants and attending community events.

I look forward to working together to help your child become a positive and peaceful role model in our community and the world. I am available by email over the summer. Please feel free to contact me before we meet in August.

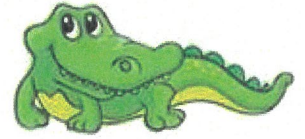

Happy Summer!

Miss Jasmine Miller
