

# Welcome to Community 1324

My name is Ms. Catherine and I am so excited to join Dater Montessori next year as a lower elementary teacher (ages 6-9)! I've been teaching at a neighborhood, public Montessori school since graduating from Xavier University in 2016. I am passionate about the Montessori philosophy, building relationships with families and fostering mental health and resiliency in the classroom.

## *A little about me...*

- I love animals! I have 3 dogs--Marley, Honey and Mabel.
- I grew up in South Carolina, and I love to visit my family whenever I can.
- I have a Master's degree in Clinical Mental Health and worked as a Licensed Professional Counselor in community mental health and private practice.
