

## Frampton's 2017 Classroom Community

May 15, 2025

Dear Students and Families,

Welcome to my homeroom! I teach math and science, and our new teacher, Ms. Black, will cover language arts and social studies. I am excited to partner with you and your child this year.

Our team values each student's unique contributions, celebrates individual growth, and nurtures critical thinking in a safe, inclusive environment. We're excited to welcome your family and look forward to the gifts and talents you'll bring to our learning community.

A bit about me: I've been teaching since 1997, with 15 years at Dater. I hold a bachelor's in elementary education and a master's in biological science, along with Montessori certifications for ages 6-9 and 9-12. Dave, my husband, is the perfect teacher spouse. He can fix anything and is willing to work weekends to bring my crazy ideas to life. My daughter Ella is studying to be a teacher, and my son Jack is pursuing a degree in computer science. Our class pet, Kirby the Quaker parrot, will turn 13 this year!

My teaching partner, Jessica Hutsell, has 14 years of experience and is a devoted mother of four. Her compassion and commitment to education make her an invaluable asset to our team.

We are committed to maintaining open communication with you throughout the year, as you play a vital role in your child's success.

## 6th Grade Field Experiences

We like all families to be aware of the big 6th grade trips (dates and cost) as soon as possible so you can plan accordingly. We really want all 6th graders to attend all field experiences. Let us know if you have any questions or concerns.

Trip	Approximate Date	Cost
Camp Joy	October 8-10, 2025	\$374.00 per child
Ski Trip	Late January/Early February	\$40-\$45 per child
Kings Island	Mid to Late May	\$40 + food/souvenirs
