

Ms. Black Classroom 2015

May 15, 2025

Dear Dater Montessori Family,

Welcome to my homeroom! I'm so excited to have your child in my class as I begin my new role as the language arts and social studies teacher. Alongside me, Ms. Frampton will be your child's math and science teacher.

I'm truly honored to be a part of the Dater staff and even more thrilled to work with you and your child next school year. Our team believes that classrooms should feel like communities—where students, families, and staff all work together. In our community, we support one another, grow together, and celebrate every individual. We're so happy to have you and your child as part of our team!

Here's a little about me: I have a bachelor's degree in psychology and previously worked in social services before making the rewarding shift into education last year. I'm also a proud mom to my 2-year-old son, Kenzo. Teaching runs in my family—both of my parents have served over 45 years in Cincinnati Public Schools. Building strong, meaningful relationships with students is very important to me. I care deeply about both their learning and their emotional well-being, and I treat each student with the same care and respect I give my own child.

We are committed to maintaining open and ongoing communication with you, because we know how important your role is in your child's education.

Below, you'll find the contact information for our teaching team:

If your child has an Individualized Education Plan (IEP), you will receive a separate welcome letter from their intervention specialist.

Please don't hesitate to reach out by phone or email if you have any questions or if there's anything I can do to support your child. Thank you for trusting us—we're dedicated to making this an amazing school year for your child, and I look forward to working together.

Warmly,

Ms. Sonja Black
