

In Norwalk, where the rivers meet,  
There's so much fun and so much to see and greet.  
From the sound of waves that gently crash ever so lightly,  
To the parks where kids run and laugh.

The Maritime Aquarium, a marine animal delight,  
With Sharks, and Turtles, oh what a sight,  
You can learn about sea life big and small,  
your favorite field trip of all! Stepping Stones,  
where your childhood begins, fun outside and in!

The Norwalk River flows with grace,  
Perfect for kayaking, a thrilling time!  
You can paddle along, feel the Norwalk breeze.  
Next time, don't forget to try Calf Pasture Beach.

The town is filled with history, too,  
With buildings which each share a story.  
To the nostalgia, from the green where families gather  
and play,  
and the festivals that brighten the days.

So grab your family and friends and explore around,  
In Norwalk, there's adventure to be found!

With art, and culture, and fun that just begun,  
Norwalk, CT, a community that stands, we love you!
