

Welcome Back to 4th Grade!

Dear Fantastic 4th Graders and Families,

Get ready for an amazing adventure! I am so incredibly excited to welcome you all to a brand new school year in 4th grade. Whether you're returning to our school or joining us for the first time, I can't wait to meet each and every one of you and embark on a year filled with discovery, learning, and fun!

This year, we will explore fascinating new topics, sharpen our reading and writing skills, dive deeper into math, and uncover the wonders of science and social studies. We'll work together, support each other, and celebrate every success, big or small.

4th grade is a special year where you'll grow so much as learners and as individuals. I encourage you to come to school each day with a curious mind, a positive attitude, and a readiness to learn. We're going to build a wonderful classroom community where everyone feels safe, respected, and excited to participate.

To help us get off to a great start, please take a look at the supply list we've put together. Having these materials ready will ensure you're prepared for all the exciting activities we have planned.

I am truly looking forward to a fantastic year with all of you. Let's make this the best 4th grade year yet!

See you soon,

Warmly,

Mr. Albright
