ROAR Award

During the fourth marking period, recipients were evaluated based on the second “R” in ROAR - Responsibility. Staff looked for students who stay on top of grades and schoolwork, demonstrate good time management, and fulfill all school, extracurricular, and personal commitments.

Next year during the first marking period, we will focus on the first “R” in ROAR - Respect. Staff will be looking for students who are polite and show respect to themselves, peers, staff and school property.

Have a wonderful summer break!
