2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

District Mission Statement
Banning Unified School District is a diverse community that collaborates to develop responsible, respectful, and prepared students to achieve their full potential.

School Mission Statement
We at Cabazon believe that our students have the potential to be proficient in reading, math, and writing. We will strive to reach this goal by providing a nurturing, competitive, and creative environment to meet our students' needs. In addition, we will

2024-25 School Description and Mission Statement

inspire our students to discover their potential worth and character as we prepare them for higher education.

School Profile
Banning Unified School District, one of the oldest districts in Riverside County, has a past as colorful as the 300-square mile area it services. For the 2024-2025 school year, the District has 4162 students enrolled in Kindergarten through twelfth grade in one preschool/TK school, four elementary schools, one middle school, one comprehensive high school, and one continuation high school. The diverse population enables the school to embrace many different cultures and strive to create an environment that embraces all. Consistent with Banning Unified School District's beliefs, the school thrives on this diverse population and encourages each student's unique abilities. Currently, Cabazon Elementary School serves 267 students in grades Kindergarten through five. The school operates on a traditional school calendar.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Instructional Materials
During a public hearing held by the Banning Unified School District, it was determined that each school has sufficient and good quality textbooks, instructional materials, and science lab equipment under the settlement of Williams vs. the State of California. Therefore, all students, including English Learners, are given their standards-aligned textbooks or instructional materials in core subjects for use in the classroom and to take home. The chart displays textbooks in use during the 2023-2024 school year.

School Facility Conditions and Planned Improvements

Cabazon Elementary School provides a safe, clean environment for students, staff, and volunteers. Built in 2000, Cabazon Elementary School is situated on 9.6 acres. The school buildings span 24,000 square feet. It consists of 16 classrooms, a cafeteria/multipurpose room, a library, administrative offices, adequate restrooms, and storage rooms. The facility strongly supports teaching and learning through ample classroom and playground space. Facility information is current as of September 2022.

Maintenance and Repair

School Facility Conditions and Planned Improvements

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites continually. Repairs necessary to keep the school in good repair and working order are completed promptly. A work order process ensures efficient service and the highest priority is given to emergency repairs. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

Cleaning Process and Schedule
The District governing board has adopted cleaning standards for all schools in the District. One full-time custodian and a night crew consisting of 3 custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe daily. A summary of these standards is available at the District office. In addition, the site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

At Cabazon Elementary School, we encourage all parents/guardians to know their child's teacher and have open communication throughout the year. Parents/guardians are encouraged to be involved in; AVID Workshops, Parent Conferences, School Site Council(SSC), and English Learners Advisory Committee (ELAC), to name a few. Parental support and participation make a difference as all families are encouraged to provide Cabazon's School Plan for Student Achievement (SPSA) and the district's Local Control Accountability Plan (LCAP). Regular school-to-home communication is provided in both English and Spanish. Information about current events and school activities can be found on the Cabazon website, Cabazon Facebook, Instagram, and Apptegy. Parents/Guardians are encouraged to contact the Cabazon principal for more information. Volunteers on campus must have current TB tests and be fingerprinted by the Banning Police Department. All visitors must have a state-issued identification and be scanned in our system before entering the campus. This allows for a school-to-home connection while also considering the safety of our campus.

Some programs and activities at our school are enriched by the generous contributions made by the following organizations:

- Wal-Mart
- Riverside County Health Department

2024-25 School Safety Plan

The safety of students and staff is a primary concern of Cabazon Elementary School and the Banning Unified School District. In addition, many people visit the campus to volunteer as chaperones on field trips and participate in school events and athletic contests. Parents and visitors are welcome when health and safety permits and are required to check in at the administration

building's front desk upon arrival for a badge. Visitors must return to the school office upon departure to return their badges. During lunch, before and after school, assigned staff supervise students and school grounds, including the cafeteria and recreation areas, to ensure a safe and orderly campus environment.

Site stakeholders developed the Comprehensive Safe School Plan (CSSP) to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff with a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine, and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Fire drills are held once a month, earthquake drills are held quarterly, and at least two lockdown drills each school year. Cabazon Elementary participated in the statewide "California Great Shake Out" exercise in October 2024. Families are provided with a written copy of the Student/Parent Handbook in English and Spanish at the beginning of the school year. Additionally, the handbook is posted on the school website. Classroom emergency backpacks are restocked annually with safety supplies in every classroom. The CSSP plan is reviewed annually, and recommendations and suggestions for the update are made. The plan is subsequently updated as needed reviewed and approved by the School Site Council. Safety procedures, including the Safe School Plan elements, are evaluated with school and district staff at the start of each school year. An updated copy of the plan is available for public review in the school administration office.

Alternative supports are continually offered to Cabazon students. All students at Cabazon Elementary School receive instruction based on Common Core State Standards. During Designated English Language Development, EL students are grouped by instructional language level and provided with daily designated ELD instruction. Teachers regularly analyze state, local, and classroom assessment data to determine student needs and guide instruction. The SST process is used to identify and monitor students who are below grade level and provide Interventions that are agreed upon and implemented by the classroom teacher in collaboration with the student's family and support staff. After-school intervention and tutoring programs are provided in Grades Kinder-5th to assist students below grade level in reading and math.

Professional Development

The Banning Unified School District offers ongoing research-based professional development for certificated, classified, and management employees. This is aligned with the Banning Unified School District's long-term goals outlined in the LCAP plan, which has been created based on feedback from all stakeholders. Professional development is designed to help employees enhance their knowledge and develop the needed skills to provide quality services to maximize student learning and achievement. All professional development focuses on our Districtwide goals and objectives and the instructional priorities outlined in our School Plan for Student Achievement.

The site-level professional development at Cabazon Elementary School focuses on the following areas: grade-level student data analysis, formative and summative assessment analysis and creation, close reading, English Language Arts strategies (ELA), English Language Development (ELD), Advancement Via Individual Determination (AVID), and Positive Behavior Interventions & Supports (PBIS) strategies. Teachers also meet as grade level Professional Learning Communities (PLC) to plan for instruction and implementation of grade-level focus standards as well as the integration of Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS) to accelerate student achievement.
