

Memorandum of Understanding
between
Pasco School District
and the
Pasco Association of Educators

The Pasco School District and the Pasco Association of Educators agree that language of instruction will be added to the definition of Major Reassignment (line 2202). Members will be eligible for District Supports (line 2403) if they have been involuntarily reassigned from an English language position to Spanish or Russian language position. Members who meet the definition of Major Reassignment AND have been forced to change the language of instruction to Spanish or Russian will receive 3 (three) additional days beyond those referenced in lines 2405-2409. The additional 3 (three) days shall either be taken as sub release days or be cashed out at the regular substitute pay rate.

This Memorandum is not precedent setting and is valid only for those who have been involuntarily transferred for the 2025-2026 school year.
