Welcome to the 2025-2026 School Year

On behalf of the staff at East Elementary, I would like to welcome you to the 2025-2026 school year. We hope that everyone enjoyed a fun and relaxing summer. This year we will serve around 200 students in kindergarten and first grade, as well as having an AM and PM Pre-Kindergarten class.

At East it is our goal to work together with families to provide the best experience possible in a safe, caring, and nurturing environment. We have a caring staff that is dedicated to meeting the needs of all of our students. We encourage families to be an active part of their student's education as well. Please feel free to contact us with any questions or concerns you may have.

It is an honor to be the principal at East Elementary. I look forward to working with all of our students and families and it is my hope that we have a safe and enjoyable school year. Go Quakers!

Ryan Holmes
Principal
