4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year. 1. All advertising will stress that clubs are free (if qualify) and open to all, in multiple languages. 2. At the start of the year, we will give all eligible Free/Reduced students their ASB card automatically, not wait for them to ask for them. 3. Club Fair during Eagle Days and the first week of school to give kids info and how to sign up. 4. Good advertising of underrepresented sports, especially non-cut sports that have very little equipment expectations for players. 5. Improve communication with ParentSquare and district publicity for info about sports/clubs. 6. Advertise free transportation options, including the Activity Bus and possible Metro pass. 7. Use the TVs throughout the school to advertise clubs meetings and sport tryout dates.
