7. Discussion Items-

7.1 Set Board of Education Goals for the 2025-2026 Academic Year—Rich Proffit:

As we look ahead to the 2025–2026 school year, we are fortunate to have Rich Profitt from Greenbush joining us to lead the board through a focused goal-setting session. This process is designed to help us reflect on our past accomplishments, assess current challenges, and identify meaningful opportunities for continued growth across the district.

The primary objective of this session is for board members to engage in open and thoughtful discussion about what is most important as we grow together in our roles and responsibilities. This is a time to share insights, ask questions, and voice ideas — knowing that every contribution is valued and welcomed. There are no insignificant comments during this process; everything is worth consideration as we shape the future of our schools.

Mr. Profitt brings deep experience in facilitating these important conversations and will serve as a helpful guide as we navigate this work together. Please feel free to rely on his leadership throughout the session.

As we begin, I encourage each of you to take a moment to reflect on a powerful question:
What does or did our district look like when it was operating at its very best?
Let that vision anchor our discussions and inspire the goals we set for the year ahead.

I look forward to the collaborative work ahead and to establishing clear, sustainable goals that will support our students, staff, and community. (I/D)

7.2 Consider Adoption of Revisions to High School Student Handbooks – First Reading:

Copies of our current school handbook were provided to the board before the meeting. During our June board meeting, the board will be asked to take action on the information found within each handbook. This is the first reading of the handbooks as presented. (I/D)

7.3 Notice of Hearing on Amending the 2024-2025 Budget:

Following the completion of our audit, the district's General Fund budget was finalized at a higher amount than originally approved and published by the Board in the Fall of 2025. To gain the legal authority to spend the additional funds, we are required to republish and formally approve the amended General Fund budget.

Per state statute, the amended budget must be published in the district's official newspaper for a minimum of **10 days** before the public hearing.

We are recommending that the **Board hold a budget hearing on Monday, June 16, 2025, at 7:00 a.m.** to consider and take action on the amended budget.

This process ensures compliance with budgetary requirements and provides transparency for our community regarding adjustments to district spending authority. **It is important to note that this process does not result in an increase or decrease in the mill levy.** The General Fund mill levy will remain at **20 mills**, as originally adopted by the Board. (I/D)

Meadow View Board Report

June 9th, 2025

Building Management

Summer school is in full swing at Labette County Schools! Mrs. Green and I are very pleased with the excitement of both the students and staff.
Just a reminder, all students are transported to Altamont, where they participate in core academic support in reading, writing, and math. Grades K-4 walk to AGS, 5th - 9th stay at the high school In addition to this remediation, students engage in STEM activities, art, fishing, and social-emotional learning sessions.
A new feature this year is Compass Academy, an enrichment program for high-achieving students in grades 5 through 9. Lindsey Wilson is coordinating this program this year.
More than 200 students are participating in these summer school activities. When you add in Driver's Ed, weightlifting, basketball, and wrestling camps, our campus is serving over 300 students this summer.
In Altamont alone, our food service program has been serving more than 250 meals a day this week—and we're also providing meals in Mound Valley and Edna.
We're proud to offer these opportunities to support our students and strengthen our community.
USD 506 - Educating every student every day!

Educational Leadership

*I met with Elementary Principals to update calendars for next year.

*I met with all teachers at the end of the year and went through the check-out procedure.

*I attended the very first USD 506 Preschool graduation at Grow At Eden. There were 13 graduates.

Noteworthy Items

* We have not yet been able to find a replacement for the junior high band instructor serving Meadow View, Altamont, and Bartlett. For now, the plan is for Altamont and Meadow View students to travel to LCHS first thing in the morning for band class. Bartlett students will attend band at Edna. While this arrangement is not ideal, it is necessary at this time. We are continuing our search for a band instructor to fill this position.

*Thanks for all your support for our schools. USD 506 is a great place to work.
