

WE-Side Poetry Contest

-Atharv Anand

We are Westside,
We come from all sides, (3rd Grade)

We come in many forms,
And follow many norms.

Kindness in our nature,
Taught by our teacher..

Ants teamwork is admirable,
Our teamwork is sustainable.

We stand high in unity,
With our head held high in dignity.

All equal to us,
All respected by us.

We are Westside,
We come from all sides.
