# NJTRAx 2.0 – Digital Learning

Digital learning surveys and reporting capabilities have been added to the NJTRAx interactive technology readiness data and reporting system in order to assist districts with developing digital learning environments.

NJTRAX 2.0
NEW JERSEY TECHNOLOGY READINESS TOOL
DIGITAL LEARNING

Districts and schools will now have the ability to track and strategically plan for digital learning policies and practices. NJTRAx DL provides six surveys covering the eight gears that are critical for digital learning.

Reports are generated that offer individual gear reports as well as an overall digital learning readiness and implementation ratings.

1. Curriculum, Instruction, and Assessment
2. Use of Time
3. Technology, Networks, and Hardware
4. Data and Privacy
5. Community Partnerships
6. Professional Learning
7. Budget and Resources
8. Across the Gears: Empowered, Innovative Leadership

Gear	Rating
Curriculum, Instruction, and Assessment	3.2
Use of Time	6.0
Technology, Networks, and Hardware	5.9
Data and Privacy	6.6
Community Partnerships	4.5
Professional Learning	6.1
Budget and Resources	4.4
Across the Gears: Empowered, Innovative Leadership	5.3

Q1: Ready, NOT Implementing   Q2: Ready and Implementing

SCHOOL READINESS   10

Q3: NOT Ready, NOT Implementing   Q4: NOT Ready, but Implementing

0   5.7   10
IMPLEMENTATION with STUDENTS

Gears*

- Curriculum, Instruction, and Assessment
- Use of Time
- Technology, Networks, and Hardware
- Data and Privacy
- Community Partnerships

* The five (5) Gears are displayed that have both Readiness and Implementation scales.

Respondents: 23 Students, 22 Parents/Guardians, 10 Teachers, 1 School Administrator, 1 Information Technology Coordinator, 1 Educational Technology Coordinator

NJTRAx DL is voluntary but the New Jersey Department of Education (NJDOE) strongly encourages every district to use the application.

Please contact an NJTRAx District Master User for access to NJTRAx DL. NJTRAx DL can be accessed by logging in to NJTRAx at http://app.njtrax.org/.

A recorded webinar that offers a more detailed look at NJTRAx DL is available at http://njdigitallearning.org/.
