- A. Military leave without pay shall be granted to any administrator who is inducted or enlists in any branch of the armed forces of the United States for the period of said induction or initial enlistment.
 - 1. Upon return from leave granted pursuant to Section A. of this Article, an administrator shall be considered as if they were actively employed by the Board during the leave and shall be placed on the salary schedule at the level they would have achieved if they had not been absent.
 - 2. Benefits to which an administrator was entitled at the time of their leave of absence commenced, including unused accumulated sick leave and credits toward sabbatical eligibility, shall be restored to them upon their return.
- B. Maternity Leave
 - 1. Any regularly appointed administrator should notify the Superintendent of her pregnancy as soon as it is medically confirmed, and not later than five (5) months prior to the expected birth.
 - 2. The Board shall not remove any administrator from her duties during pregnancy, except on any one of the following basis:
 - a. Physical Incapacity – Her physical condition is such that her health would be impaired if she were to continue working, and which physical incapacity shall be deemed to exist only if:
 - i. The pregnant administrator fails to provide certification from her physician that she is medically able to continue working; or

- ii. The Board of Education physician and the administrator's doctor agree that she cannot continue working;
 - iii. Following any difference of medical opinion between the Board's physician and the administrator's physician, the Board may request expert consultation, in which a physician chosen by the pregnancy administrators, from a list of three specialists provided by the Board, shall examine the administrator. This physician's medical opinion shall be conclusive and binding on the issue of medical capacity to continue working. This expense of any examination by an impartial third physician under this paragraph will be paid by the Board.
 - b. Just Cause – Any other “just cause”, as defined in N.J.S.A Title 18A.
3. The Board shall grant maternity leaves of absence without pay to pregnant administrators under the following terms and conditions:

Said application shall set forth, in writing, the commencement date, which commencement date may be any time prior to the birth.
 - b. Any tenured or non-tenured administrator may return to work within the school year in which her leave begins, provided she shall have request to do so in her application for a leave of absence, and shall have specified the month when she desired to return. Any extension or reduction of the date of return within the same school year shall only be allowed at the discretion of the Board, provided application is made following the original grant of the leave of absence, but prior to the announced commencement date thereof. Such extension or reduction may be granted by the Board for an additional reasonable period of time for reasons associated with the pregnancy or birth, or for other proper cause, provided that such extension or reduction will not substantially interfere with administration of the school.
 - c. The Board shall not be required to extend the leave of tenured or non-tenured administrators beyond the school year for which they were hired. Non-tenured administrators wishing to return for the following school year shall be considered by the Board for reemployment for the following year. Administrators returning from maternity leave are not guaranteed their previous assignment.
 - d. Any tenure administrator may return to work subsequent to the school year in which her leave begins, provided she shall have requested to do so in her application for a leave of absence. Any such administrator shall return to work at the beginning of the school year following that in which her leave commences.

4. Except as otherwise provided in this Article, no tenured or non-tenured administrator shall be barred from returning to work after the birth of her child by any prescribed waiting period between the date of birth and the date of return to work; however, each such administrator shall be required to file at least two (2) weeks prior to the date of return or at the time of giving the required notice of intention to return, whichever is earlier, a certificate from her physician saying that she is physically capable of resuming her full duties, provided that if the Board's physician is in disagreement, that conflict of medial opinion shall be resolved as set forth in Paragraph B (2) (iii) of this Article.
5. Any administrator granted a leave of absence under this Article shall be eligible for an increment in the following year (or in subsequent year in which she actually return from such leave), provided she has completed at least five 115 days worked or approved for a paid leave of absence during the school year in which the leave commences.

2.
 - a. A tenured employee's approved leave of absence shall run from their commencement date until the end of that school year. These leaves of absence may be extended for the subsequent full school year by applying to the superintendent by February 1st of the initial leave year or within thirty (30) days after the date of birth or adoption, whichever is later. No further extensions shall be granted.
 - b. Where leave has been granted for the subsequent full school year, the employee on such leave shall inform the superintendent in writing by February 1 of a ten (10) month employee and by March 1 if a twelve (12) month employee of her/his intention to return to school on the first work day following the conclusion of the approved leave.
3. Nothing herein shall prevent the employee and the Board from agreeing that a tenured employee may return on other than the beginning of a school year if such earlier return is administratively convenient to the Board. Such decision is not grievable.
4. Application
 - a. Application for child rearing leave shall be made by the administrator to the superintendent at least ninety (90) days prior to the anticipated birth of the child.
 - b. Any employee adopting a child shall be granted a child rearing leave in conformity with the provisions of C.1 or C.2, as relevant, which shall commence

1. Leaves of absence of 10 or more days must be approved by the Board of Education. Leaves of absence with full loss of salary may be granted by the Board for a limited and definite period. No request for a leave of absence will be considered: (1) until a written application, containing a statement of the reasons for the leave of absence has been filed with the Superintendent of Schools; (2) until the Superintendent of Schools has submitted to the Board, his/her recommendations with respect to the application and (3) said application must contain agreement by the employee to have deductions made on the following basis:
