Foley Public Schools Adopted by the Board: 10-16-2017

SCHOOL NUTRITION PROGRAM
REIMBURSABLE MEALS

I. PURPOSE

To assure that students, parents and staff are informed of the Offer versus Serve provision and that it is implemented correctly.

II. GENERAL STATEMENT OF POLICY

A. It is the responsibility of the building principal, teachers, office staff and Child Nutrition staff to assure that students are encouraged to make healthy food choices and that established procedures are followed.

B. Foley Public Schools extends Offer versus Serve to all grade levels. Students may decline two of the required five menu items. They need to have a fruit and/or vegetable.

C. The building Principal and Child Nutrition Supervisor assure that annual training about Offer versus Serve is provided to students, parents, and staff.

D. The Child Nutrition Supervisor is responsible for assuring that responsible staffs are trained to identify reimbursable meals and the appropriate action to take if a student does not select a reimbursable meal.

III. SERVING REIMBURSABLE MEALS

A. Child Nutrition staff is responsible for writing the menu on the menu board each day.

B. Child Nutrition staff, teachers, and assistants encourages students to make healthy food choices and to select at least 3 of the 5 reimbursable items.

C. The point of service at the end of the line identifies the student, determines if the student has selected a reimbursable meal and verifies the student's PIN.

D. If the student has not selected a reimbursable meal, the point of service at the end of the line asks the student to return to the serving line and select additional food items.

E. If the student refuses to select a reimbursable meal, he/she is charged ala carte prices for the food items and this meal is not claimed for reimbursement.

F. They are required to take ½ cup of fruit and/or vegetable to make the meal reimbursable.
