FOLEY PUBLIC SCHOOLS
I.S.D. #51, Foley Public Schools
Foley, MN 56329

Internet Use Agreement

Foley Public Schools will provide instruction to staff and students on safe and appropriate use of the internet. Foley Schools has taken precautions to eliminate inappropriate materials and watches for misuse of internet resources. It is impossible for the school district to prevent all inappropriate action and misuse and I as the student or parent recognize this and will not hold the school district or its employees responsible for student acquired material via the internet. Further, I accept full responsibility for supervision if and when I the student or my child uses the internet accessing the school district's system from home or a remote location.

Parents and Students:
Students will be using the internet as a vital component of their educational and testing experience while attending Foley Schools.

Internet Usage: I have read and do understand the school district policies, which can be found in the Parent-Student Handbook or online at www.foley.k12.mn.us under the Parent tab on the home page, relating to safety and acceptable use of the school district's computer system and the internet and agree to abide by them. I further understand that should I commit any violation, my access privileges may be revoked, school disciplinary action may be taken, and/or appropriate legal action may be taken.

E-Mail Account: I understand the school district policies relating to safety and acceptable use of an e-mail account supplied by the school district or a college in which a student is enrolled in while attending Foley Schools and agrees to abide by them. I understand that this is the only e-mail account that I may access from the school district computer. I further understand that should I commit any violation, my access privileges may be revoked, school disciplinary action may be taken, and/or appropriate legal action may be taken.

Student Photos/Videos/Audio on District Website: Students may be recognized for achievement or similar accomplishment or be involved in an activity that merits publicity. I understand that the school district's website is a way of communicating to the community at large. I understand that unless my child has achieved a specific award or is pictured in an extra-curricular activity, my child will not be identified by name.

Literary or Artistic Work on District Website: I understand that my student may create a literary or artistic work in school and that my student, by copyright law, owns that piece of work. I further understand that for recognition or publicity about school activities the school district may desire to post the student work on the school's website.
