Foley Public Schools Adopted by the Board: 2/27/2023

310.1 LICENSED STAFF POSITIONS

All licensed staff positions are created only with the approval of the Board. It is the Board's intent to activate a sufficient number of positions to accomplish the school district's goals and objectives.

Before any new position is established, the superintendent will present, for the Board's approval, a job description of the position which specifies the required qualifications for a candidate for the position, the position's performance responsibilities and the method by which the performance of these responsibilities will be evaluated.

The Board also requires the superintendent to maintain a comprehensive and up-to-date set of job descriptions of all positions in the school system.
