

TRANSPORT SERVICES – ACADEMIC YEAR 2025/2026

Prior Park College (“the College”) arranges a daily transport service to and from Warminster, Tormarton, Holt/Hilperton, Keynsham, Chew Valley, Bath Circular including the Railway Station and towards Hullavington. The routes are covered by either an external Coach company or by the College minibuses. The College minibuses have a maximum capacity of 16 passengers and places are therefore limited on these vehicles. Parents who would like their children to use any of these services are requested to complete the transport request form using the link below. We strongly recommend that you submit a transport request as early as possible to avoid disappointment. Priority is given to those who wish to use a bus service every day of the week, although more occasional users will be accommodated where possible.

The cost of a daily return journey is shown against pick-up point. If you require further information regarding costs, then you should contact Wendy Paradise on 01225 835353. Charges for bus services are made at the end of each term and a full term’s notice is required if you wish to stop using the service. No refunds will be given for individual journeys not taken, including for bus services not used during the exam season.

A full terms notice is required to cancel any journeys.

The College tries to ensure that pick-ups and set-downs stick to the listed times, but inevitably traffic conditions may lead to some delays, but you are strongly recommended to be at your pick-up/set-down point 5 minutes before the scheduled time.

All bus services are regularly reviewed, and notice will be given before any changes are implemented. If you have a problem with your bus journey, then you should contact the Transport Manager on 01225 437 683
