

# Edina High School Education Experience Class

## Work as a Kids Club Lead

Pathway Learning allows students to participate in hands-on learning while engaging career-specific experiences.

The pathway is available to 11th-12th graders who are available period seven. Student should be in strong academic standing as they will not have access to flex bock or after-school office hours

Students who work at Kids Club as part of an Educational Career Pathway will:

- Learn how to develop curriculum and activities
- Provide leadership and practice role modeling
- Participate in professional development experience
- Experience one-on-one and small group mentorship
- Build knowledge and success strategies for college and career
- Earn one (1) elective credit per semester (M-F, period 7, 2:20-3:16pm) while working
- Get paid \$16 per hour (minimum 6.25 hours/week)
- EHS Parking available per the parking pass policy, student rec leaders will receive the same priority as PSEO students
