Re: Revised Cell Phone Policy

Dear Greenport Families,

We invite you to join us for an important informational meeting regarding the district's revised cell phone policy on **Wednesday, June 18, at 6:00 PM** in the **High School Auditorium**.

As of May 6, New York State has enacted legislation requiring all public schools to enforce a bell-to-bell ban on smartphones and other technology such as smart watches and AirPods, during the school day. In response, our administration is working closely with faculty and staff to develop a policy that aligns with these new state guidelines for the 2025–2026 school year.

This meeting will provide an opportunity to learn more about the upcoming policy changes, ask questions, and share your feedback.

We value your input and look forward to seeing you there.

Sincerely,

Gary Kalish
Secondary Principal
